

2019/20 Athlete Funding Information

Athlete Travel Funding

Athletes who achieve the 2019/20 Travel Funding Standard at an Athletics Australia permit meet will be provided with travel support to attend the 2020 Track Classics in various locations around Australia.

When an athlete's event appears on the travel funding grid, an interstate* athlete will receive the following;

- Return economy airfare from their home base to the meet location
- One night's accommodation (twin share) at the meet hotel
- Ground transport from the airport to the meet hotel and return and ground transport from the meet hotel to the venue (if applicable) and return

It should be noted that this is only available when the event for which the athlete is funded appears on the AA travel funding grid. Athletes **will not** be funded to compete in a different event.

*Interstate does not include Canberra to Sydney/Newcastle or vice versa.

2020 New Zealand Competitions

For events in New Zealand, **NASS Athletes** on the Travel Funding list will receive the following;

- Return economy airfare from their Australian home city to the meet location
- One night's accommodation (twin share) at the meet hotel
- Ground transport from the airport to the meet hotel and return and ground transport from the meet hotel to the venue (if applicable) and return

Once again, it should be noted that this is only available when the event for which the **NASS Athlete** is funded appears on the AA travel funding grid. **NASS Athletes** will not be funded to compete in a different event in New Zealand.

NASS Para Athlete Travel Funding

NASS Para athletes will be funded to the target meets for their event group as follows:

- Throws - Melbourne Track Classic 6 February
- Wheelchair Track & Road – Canberra Track Classic 13 February
- Sprints & Jumps – Sydney Track Classic 22 February
-

Each interstate* NASS athlete will be funded to the above event in their event discipline as follows:

- Return economy airfare from their Australian home city to the meet location
- One night's accommodation (twin share) at the meet hotel
- Ground transport from the airport to the meet hotel and return and ground transport from the meet hotel to the venue (if applicable) and return

Additionally, NASS Para athletes may be funded to other interstate* events on the grid when space is available in the field and where agreed with their State Performance Advisor (SPA).

*Interstate does not include Canberra to Sydney / Newcastle or vice versa.
