Saturday 04 January, 3:30 pm at ASC

All welcome

The Australian Finn fleet has been enthusiastically supported by Rob McMillan for many years now. Rob has spent most of last year attending all the major Finn regattas and has kindly offered to pass on all the latest ideas and tips that he picked up from the world's top Finn sailors. He also has some very valuable ideas which will be of particular benefit for the older members of the Australian fleet.

Rob has just been appointed as mentor to Australia's Jake Lilly and will work with coach Raffa Trujillo as Jake prepares to represent Australia at the Tokyo Olympic Games. We are certainly privileged to have Rob offer his services in this way.
