Selection Guidelines – Age Group Award

- 3.1 To be eligible for an Age Group Award a nominee must be registered with Athletics South Australia at the time of the performance(s);
- 3.2 There are two categories of awards – Unrestricted (includes all Open events) and Restricted (includes all events that limit participation e.g. Masters, Paralympics, Underage etc).
- 3.3 The overriding principle in determining an awards winner in the unrestricted category is *‘the best performance at the highest level of competition’*. This is determined by the highest point score using the World Athletics Point Scoring/Ranking System.
- 3.4 In determining the award winners for restricted categories the Selection Committee shall, in addition to the eligibility criteria specified in this policy, take into account the nature of the competition e.g. international, regional or domestic, the finishing position and performance(s) of the athlete, the extent of competition and any other factors the Selection Committee may deem appropriate at the time;
- 3.5 Performances in one or more competition age groups (e.g. Under 16 and Under 15) within an award age group (Under 16) shall be considered equally for the purpose of determining an award age group winner.
- 3.6 Athletes are eligible to win an age group award in more than one age group. It should be noted that Athletes may compete in one age group prior to the 1st January and another in the year commencing 1st January.
- 3.7 Performances at State level will only be considered when a decision is unable to be reached after using the selection criteria outlined in this policy;
- 3.8 The Selection Committee may consider an athlete’s performance(s) in a higher age group when considering the award for the lower age group i.e. an athlete who competes in the Under 14 Pole Vault and the Under 18 Pole Vault shall have their performances in both events taken into account when determining the winner of the Under 14 age group. In these circumstances, the athlete is eligible to win the award for both age groups;
- 3.9 The Selectors reserve the right not to make a selection in any category.

Selections made by the Awards Selection Committee for the Age Group Awards shall be presented to the Chief Executive Officer (CEO) and the Development Manager of Athletics SA for the *sole purpose* of checking the deliberations of the Awards Selection Committee.
