<b>Consent:</b> As part of its annual grant process, ACT Sport and Recreation requires DBACT to provide it with a list of registered clubs, including contact details and name of President. By submitting the details on this form to DBACT, the club and President is consenting to the provision of this information to ACT Sport and Recreation.		

\*The Club representatives email group receives notices of meetings and other communications from DBACT (other than purely membership matters). Consultations between the DBACT Committee and the clubs will generally be through the club representatives group. Two representatives per club may vote on behalf of their club at DBACT general meetings but they do not have to be the same members as listed in the Club Representatives email group.

\*\* The Club membership officer is the club member who will receive emails and other information about membership matters, such as registration, renewals and issues with the revSport membership system.

\*\*\*required
