

## 2022/23 Regatta Series

### Season Table

#### How the Regatta Series Works...

- Clubs are awarded points based on their performances in each racing division across multiple rounds in a season which vary in format
- Points are awarded for the top 6 placings in a Major Final (or lowest overall combined times if no finals)
- 1st Place - 6 points, 2nd - 5 points, 3rd Place - 4 points, 4th Place - 3 points, 5th Place - 2 points, 6th Place - 1 point
- Teams that combine will have their points split i.e. 1st place Easts/FFB crew = 3 points Easts, 3 points FFB
- where a club has multiple crews points are awarded separately, in instances where a club had a single crew who accrued points in one event then multiple crews in another event past points are awarded to the "A" crew
