

FORESTVILLE EAGLES BASKETBALL CLUB

NEWSLETTER

Welcome to the November newsletter. After a short rest, we have most of our teams back playing. Our junior district teams taking part in the grading season for 2023 and domestic and senior teams back in normal competition.

I would like to welcome all the new players and families to our club and welcome back all the returning families. We have over 100 teams registered to play currently and it takes a lot of organising and volunteers to get these teams on the court so thanks to Sharon, Alison, the coaches and team managers for all their efforts.

Last month, we had our annual Quiz night which was another fun, successful event. This is due to the efforts of Colin Jennings who spent many many hours sourcing prizes and organising the night, along with Alison. Special thanks to them, Brad Haydon, Jason Dix and Brett Lewis our quiz masters and all the volunteers on the night. With the season under way, there may be families who have never had to use the shot clock or would like a refresher so we are running a training course on the 27th of this month in this newsletter.

Good luck to Sam Hughes, playing in the Australian team at the U/15 FIBA Oceanic Championships in Guam at the end of the month. I am sure he will do the club proud.

Congratulations to all the 51 current Forestville junior players who have been selected in SA and SA Country Emerging Athlete Development Programs, this is an amazing result which would not have been achieved without the guidance of our junior coaches. We look forward to continued success as a club and seeing many of these juniors in our NBL1 teams in the future.

Have a great month

Kind regards

Robyn Richardson

CHRISTMAS TREE APPEAL

The Forestville Eagles Basketball Club is again conducting the Christmas Tree Appeal in conjunction with the Brighton branch of the St. Vincent De Paul Society.

This will be the eighteenth year that the Club has run this appeal and once again we are calling on the generosity of Forestville families to ensure that the appeal is successful.

Simply pick a star from the tree (these will show different age groups for a gift to be purchased for a boy or a girl, and then attach the star to a gift and place it under the tree).

Also gratefully accepted will be food items suitable for Christmas hampers the Society distributes (be mindful of 'use by dates')

The tree will be up from present until Tuesday December 12th. The gifts will then be collected for distribution.

The Club looks forward to your support in making the 2022 Christmas Tree Appeal a successful venture again, helping brighten up the day for needy families.

Player Profile

Get to know Georgia Crouch

#ForestvilleFamily #WeTheVille

Georgia Crouch

Georgia started playing in her local league in Melbourne at 8 years old and played for Dandenong. When her family moved to Adelaide she played her juniors at Sturt. She went on to represent her state in U16s, U18s and U20s. She went on to play Premier League with Sturt and West Adelaide before retiring due to injuries and moving into coaching.

She is married to Will and have a little fur baby - a mini chocolate labradoodle named Millie. Georgia loves to cook and feed her friends! Middleton is her happy place and she when she has time enjoys a good crime novel.

Person I would most like to meet: Queen Elizabeth II

Best piece of advice: Be yourself and control the controllables

Best basketball memory: Going to watch the Opals play in the World Cup was incredible, coaching my first state team to a silver medal this year was also an amazing week of memories!

Basketball player I'd like to meet: Breanna Stewart

Favourite movie: The Gentlemen

Coaching ritual: Handwrite my notes and be overly prepared! And drink lots of water during the warm up. Also check what Hannah Flynn is wearing to the game!

Interesting fact: I was Captain of Rowing at school

Most famous person I have ever met: I saw Taylor Swift in Rundle Mall once!
