## ACKNOWLEDGEMENT OF COUNTRY

We would like to acknowledge the  
the Traditional Custodians of the lands  
and waterways that we meet on today.

We pay our respects to the Elders of the past,  
present and emerging, and acknowledge  
their ongoing connection to land, sea and  
community. For they hold the memories, the  
traditions and the cultures of Aboriginal and  
Torres Strait Islander peoples.

We extend that respect to all Aboriginal and  
Torres Strait Islander peoples.

We're passionate about helping people lead happy, healthy and active lives. Hockey Australia celebrates diversity of sex, gender identity, gender expression, sexual orientation, intersex status, ability, skill, cultural background, ethnicity, location, religious or political beliefs or life stage and welcomes everyone, exactly as they are.

# WELCOME MESSAGE HOCKEY AUSTRALIA

Welcome to Newcastle Hockey Stadium, the host for this year's U21 National Hockey Championships.

The Under 21 Championships is always an exciting event on our national calendar. 16 of Australia's best teams will battle it out over eight days of high-end competition, in a bid to be crowned the women's and men's champions.

And it's also the platform where our next crop of high-performance talent gets noticed. The Under 21's is the blue ribbon event, the most experienced age grade in our National Championships line up, and is an integral part of our player pathway program as we develop our next Hockeyroos and Kookaburras.

It's a massive opportunity for these top hockey players to travel from far and wide and descend on Newcastle to compete against other top teams from all over Australia.

This year, we're extremely pleased to welcome back the Northern Territory, as they re-enter the women's competition for the first time since 2017. With all states and territories represented at this event, it just shows how widespread hockey is enjoyed in Australia.

I would like to thank the New South Wales Government, through Destination NSW, for their ongoing support and commitment to hockey and for hosting this year's event. I also want to acknowledge Hockey NSW and their efforts in ensuring this week of competition is fun and memorable for everyone involved.

To the umpires, officials, volunteers, parents, families and friends, thank you. Your unwavering dedication to the game doesn't go unnoticed. Without all of you, the fundamentals of our game in Australia wouldn't exist.

For those of you who can't be here, we're thrilled to reiterate that every match of this event will be live-streamed on [LiveHockey.org.au](https://livehockey.org.au) for you to enjoy. This has been a game-changer in our sport and it's been fantastic to see hockey enjoyed and streamed in households across Australia.

I wish everyone a safe and enjoyable event. Good luck. I look forward to witnessing the exceptional level of hockey here on display in Newcastle. Thank you for choosing hockey.
