RESPECT FOR OFFICIALS AWARD

RESPECT FOR OFFICIALS AWARD is an initiative to encourage competing hockey teams, team officials (off field staff) and spectator groups to play in the true spirit of the game.

Playing in the true spirit of the game involves, but is not limited to, adhering to the rules outlined in the codes of behaviour. Teams that demonstrate the true spirit of hockey will be rewarded with points corresponding to their degree of fair play at the end of each match.

Without RESPECT FOR OFFICIALS there would be no Officials to run this great game.

In 2023 only **one RESPECT FOR OFFICIALS AWARD** will be presented to the Association that shows these qualities across all teams over the Championships.

This award is judged by the Hockey NSW Officials appointed to the Championships with behaviour, communication and level of spirit of the game taken into account.

This award is presented at the presentation ceremony and takes over from the PLAY THE WHISTLE award of previous years.

Hockey NSW President's Welcome Message

On behalf of the Board of Hockey NSW, welcome to the 2023 Open Men ISC.

I would also like to take this opportunity to say a big thank you to the sponsors of this State Championships and to the Goulburn Region and its volunteers for hosting us again.

I'd also like to take this opportunity to extend an enormous thank you to all of the volunteers, officials and support staff for their efforts over the coming weekend and without whom these events would not be possible. The role of our volunteers to work tirelessly for the duration of the tournament is a credit to the personnel we have in Hockey NSW.

Congratulations to all the athletes for being selected to represent their associations as well as the coaches and managers who have worked hard to get their teams ready to participate. No matter the results, be proud of what you have achieved to be at the state championships. State Championships plays different roles for different people, it may be the pathway for our athletes and coaches heading towards our State and National teams, or it is a great opportunity for an athlete to grow in their leadership, or to teach our players, coaches and volunteers in working and playing with people that they do not normally get a chance to play with at club level. State Championships is also a great opportunity to play with or against the leaders in our sport. However whatever the state championships means to you, I hope that it is a great experience that you will cherish for years to come.

Good luck to all teams competing this weekend and we look forward to seeing the athletes enjoy a weekend of competition, sportsmanship and friendship.
