

Hockey Queensland

YEAR BOOK
2019

PREAMBLE

The aim of the Hockey Queensland Year Book is to hold all Annual Records and Results for the year, and celebrate the achievements of Queenslanders in all aspects of the game.

Each year the Book will be improved and contain as much information as possible where it is prudent to do so.

The book will be available for download from the Hockey Queensland website and can be read alongside the Annual Report.

Continuing records are maintained in the History section and can be downloaded from the Hockey Queensland website, however the Year Book contains annual records not necessarily kept in perpetuity at this time.
