PRESIDENT'S REPORT

Well this year has been a real voyage of discovery for me which I have enjoyed immensely. I have met a lot of fantastic HQ staff and hockey volunteers across the state, whose tireless efforts are greatly appreciated. That is not to say that there have not been a variety of issues that have needed to be addressed but these have been managed in accordance with our policies and in a professional way by members of HQ.

From my perspective I am very happy with our Board of Directors. It has a great blend of business and hockey experience and is a group who interact and communicate well. They are all committed to promoting hockey and the best outcomes for all of our members, both regional and metropolitan. I look forward to continuing to work with them and our CEO, Louisa, and her staff to achieve our goals over the next strategic planning cycle.

On a national level I am excited by the renewal of the Hockey Australia Board and the election of Tracey Belbin OAM, Mackay as a Director and the selection by the HA Board of Melanie Woosnam, Redlands to the role of President. I am very confident in their ability and look forward to working with them over the next few years as we commence the next Olympic cycle.

During the year I have been fortunate to be able to attend field and indoor state championships hosted by Tweed Border, Gympie, Mackay, Cairns, Maryborough and of course the State Hockey Centre with Super League a very successful showcase and celebration of our talent on and off the field. It has been a great opportunity for me to meet some of the executives of these associations along with the volunteers and see for myself the wonderful facilities and opportunities they provide. It has also provided me the opportunity to understand the different issues each of the associations face.

I acknowledge the efforts of the Competitions Working Group who have presented a great opportunity for hockey with the creation of the Queensland Festival of Hockey for our open age players to advance our competitions for our Associations and increase participation in this age group.

HQ is privileged to have talented committee members serving on our High Performance Advisory Group lead by Chair Greg Richards, Technical Officiating Committee lead by Joanne Greensill, Indoor Hockey Advisory Group and Umpires Committee both lead by Lyn Hill, Women's Masters Committee lead by Linda Hunter and we thank them all for their tireless efforts to work with HQ staff to lead hockey into a bright future.

Through the year we have seen a number of highlights with the successes and recognition of individuals and teams. Unfortunately, there are too many to list but two that I specifically consider worth mentioning include QSport's recognition of Adam Kearns, who officiated at the Rio Olympics, as the 2016 Queensland Sports Officiator of the Year and Faye Wastell OAM and QSport's Service to Sport Award. These are wonderful achievements and I again congratulate you both.

Our women's program hit record heights with our U15, U18, U21, AHL and Over 35 Masters all 2016 National Champions. Congratulations to all players, coaches and team managers on this outstanding achievement and tribute to Des King, HQ's Women's High Performance Coach for the long term commitment required to achieve this level of success. Many players' successes are highlighted throughout this report, but I'd like to recognise Rosie Malone (Gold Coast) who had an exceptional year being a key player demonstrating strong leadership qualities in the U18, U21 and AHL winning teams and gaining national selection for the Junior World Cup.

I would also like to make special mention of the Hockey Queensland personnel who were involved in bringing the Remote and Indigenous Hockey Program to Aurukun in Far North Queensland. The program was a great example of what can be achieved to facilitate access to hockey and provide a positive experience for remote communities.

2016 has also seen the end of an era with the retirement of Jan Hadfield ("PB") from her 32 years of international umpiring duties stretching across three Olympic Games 1988/2004/2008 and four World Cups 1990/2002/2006/2010. Jan was awarded the Guust Lathouwers Memorial Trophy by the FIH in 2006 for outstanding service to the development and promotion of umpiring worldwide. Jan was awarded her Australian Umpire's Badge in 1977, was consistently rated as the number one women's umpire in Australia and has generously shared her talents with

Australian, Queensland and local umpires throughout her illustrious career. We congratulate Jan on an exceptional contribution to hockey and look forward to her continued involvement on our High Performance Advisory Group and developing our local umpires. Finally, I would like to congratulate our Queensland Retiring Olympians Madonna Blyth, Teneal Attard and Jamie Dwyer for their stellar careers and contribution to hockey in Australia and internationally. Madonna as our most capped Australian female player with 342 games over a 13 year career and Australian Captain from 2009 to 2016, triple Olympian in 2008/2012/2016 and three-time FIH World Star Team in 2007/2009/2010. Teneal our dual Olympian 2008/2012, with 221 caps over a 12 year international career. Jamie, Australia's most decorated player over a 15 year international career, our four-time Olympian scoring the winning goal in the gold medal match to secure the Olympic title at the 2004 Olympic Games in Athens and two bronze medals in 2008/2012 and five-time winner of international hockey's World Player of the Year award.

We wish them every success in their new endeavours in life and look forward to their involvement in Hockey Queensland in the future to grow our next generation of hockey heroes.

Even though I have specifically mentioned a few individuals and events I also recognise the commitment and contribution by hundreds of volunteers throughout the state and acknowledge that they are our core and most valuable resource in the continuing progress of hockey.

I look forward to 2017 and the opportunity to continue to serve our great sport.

Steve Stewart

CEO'S REPORT

This report covers the final year of Hockey Queensland's three year Strategic Plan. Throughout this period the plan focused on increasing participation numbers, developing our athletes, coaches and officials, strengthening our hockey network and improving Hockey Queensland's financial position. Each year of the plan has delivered significant progress towards the identified outcomes and 2016 was no exception.

The year began strongly with the continued investment in marketing through the *Get into Hockey* campaign expanded to include the distribution of registration packs to all players. Whilst this initiative had some logistical challenges, overall the campaign was successful and contributed to another increase in registrations for the year. Over the three year period, the participation numbers have increased from approximately 14,500 in 2014 to 18,750 in 2016, which is a significant increase in an environment where a large number of sports are facing declining participant numbers.

Many programs that commenced in 2015 continued to be refined and expanded in 2016. Hockey Queensland continued to provide funding grants to associations as part of the State Government's Queensland Sport and Recreation Industry Development Program to support participation and development programs such as Hookin2Hockey, school hockey programs, coach and official accreditations and holiday programs. A lot of activity occurred within our associations and clubs across the state and as a result collectively contributed to the successful achievement of outcomes in the growth and development areas.

This year, Hockey Queensland built on its cultural brand "TEAMQLD". The notion of TEAMQLD started with the Indoor Hockey teams at the national championships led by Paul Tucker and his band of supporters including the Indoor Hockey Advisory Group. TEAMQLD epitomises what it means to be a player, parent, official, staff or volunteer of hockey in Queensland. While there is still some way to go to embed this culture throughout the whole sport, there have been some great examples of the TEAMQLD values being displayed during the year particularly at the National U13 and AHL, the National Indoor and National U18 competitions. Congratulations to all those involved for ensuring Queensland is leading this inspiring cultural shift.

While Queensland is being recognised for its off-field performance, we are also dominating on the field as well. For the first time in history, Queensland holds the Gold Medal position for its Women's AHL, U21, U18 and U15 teams. Congratulations to all players, coaches, managers and support staff who contributed to this amazing performance.

In recognition of Hockey Queensland's performance throughout the year, Hockey Queensland was short-listed in five categories at the annual Queensland Sports Awards: Qld Sport Team of the Year (Scorchers and Blades), Qld Sport Star of the Year (Madonna Blyth), Qld Junior Sport Team of the Year (U18 Women), Qld Officiator of the Year (Adam Kearns) and Service to Sport (Faye Wastell). Congratulations to all those short-listed, but particularly Adam Kearns who was named Officiator of the Year and Faye Wastell who was acknowledged for her service to hockey.

Below is a summary of the highlights and achievements made in each of our four key program areas:

Growing our Sport (Game Development)

- 18,751 registered participants - the highest numbers of participants in 10 years
- 1180 accredited coaches and officials - an
- increase of 53% over the three years
- Expansion of the remote and indigenous program into nine regions
- 3535 Hookin2Hockey participants
- Sporting Schools program delivered to over 4000 children
- Successfully piloted a hockey program for
- refugees and migrants in Logan
- Continued to partner with Lifestream to
- deliver hockey programs to participants with disabilities

Building our Talent (High Performance)

- Successful performance by all our state teams especially Gold medal performances by our Women's AHL, U21, U18, U15, Women's Masters 35+ and Women's U13 Indoor teams, Men's U15 team, Men's Masters 45+ Div 2 team and Men's U15 Indoor team.
- Consistent representation of Queenslanders in the national squads
- Implementation of U14 and U17 development camps

- Over 300 participants in Hockey Queensland's holiday camps
- Implementation of education and coach development sessions in state championships and trials.

Strengthening our Network (Member Development)

- Continued support and resourcing to improve governance practices in member Associations
- Engagement of associations and clubs in the planning and development of the next three year strategic plan
- Introduced the TEAMQLD initiative to U18 and U13 state teams
- Strengthened communication between Hockey Queensland and member associations through teleconferences, updates and face-to-face meetings

Sustaining our Future (Organisational Development)

- Strong financial position
- Increased value in media from \$347,000 media value in 2015 to \$385,000 media value in 2016 and over 1600 media releases
- Increased revenue from grants and sponsorship
- Finalised new lease arrangements with Brisbane City Council for the State Hockey Centre

These milestones would not have been achieved without the combined effort of a large number of people. Thank you to the Chairs and members of the High Performance Advisory Group, Technical Operating Committee, Umpire Committee, Indoor Committee and Women's Masters Committee - your time, advice and support of the operations of Hockey Queensland is very much valued and your contribution to the success of Hockey Queensland's programs is significant.

I would like to acknowledge Cam Vale and his staff at Hockey Australia for their support and leadership and to the broader national hockey network for their ongoing commitment to achieve a whole of sport environment.

Throughout the year, I visited the majority of member associations and their clubs, to discuss the future direction of our sport. Thank you all for the time, contribution and candid conversations we shared. The outcome of all these discussions was the development of the next three-year strategic plan. It is an exciting era for hockey and the next three years will challenge us all as we work together to ensure we have more people playing hockey. I look forward to working with you all to deliver this goal and thank all those volunteers and staff who work in our Associations and clubs for the wonderful and often thankless job you do to keep the sport alive and growing in our communities.

I would like to acknowledge our sponsors, partners, Queensland State Government and QAS. We appreciate their involvement in our sport. Without their ongoing support, Hockey Queensland's ability to achieve its goals is that much harder.

Hockey Queensland has a fantastic team of staff, who have all contributed to the successful achievement of outcomes over the past year. To every staff member, thank you for the time, commitment and passion you bring to the organisation and your roles. The next three years will require some out-of-the-box thinking and innovative programs and I have no doubt you are all up to the challenge.

Louisa Begley

REMOTE AND INDIGENOUS HOCKEY PROGRAM

The fundamental purpose of the Remote and Indigenous Hockey Program (RIHP) is to develop and deliver hockey programs that lead and grow participation, pathways and positive social changes in remote and Indigenous communities of Queensland.

During 2016, the wonderful team of Development Officers: Lewis Dexter, Kazzia Lammon, Amber Mutch and Hope Phillip expanded the RIHP to deliver hockey to nine regions across Queensland. Starting in January, RIHP delivered a holiday program in the indigenous community of Cherbourg. The program was held at the Cherbourg Sports and Recreation Complex and consisted of three hockey clinics over three days designed to introduce participants to hockey, increase participation in this region and support community partnerships and capacity building towards a sustainable program in the future. 65 indigenous participants enjoyed the program and reports from local partners indicated that there was an appetite for future programs.

In February, the RIHP team delivered a two-day Hockey Program (6 sessions) in Charleville as part of the School of Distance Education's (SDE) 2016 Kick Start Conference. 166 new participants took part in the program including the accreditation of a local teacher-aid as part of a long term sustainable partnership with the SDE.

From July to September, the RIHP team delivered a nine week after school hockey program within Primary Schools based in Mt Isa. At the end of the program the schools were invited to Mt Isa Hockey Association to participate in an inter-school competition (Carnival). The program was very successful with 197 students participating and a commitment to ongoing support from the local council for future programs.

In October, the RIHP team delivered a 6 week hockey program in Aurukun. As part of the RIHP Indigenous Mentor Support Program (IMSP) program Ambassador, Kazzia Lammon, presented 'Kazzia's Story' to all the students. Her presentation focused on achieving goals in both education (studying law) and sport (represented Australia), time management and the challenges of relocating to Brisbane from a small community. With 240 female participants in the Hookin2Hockey sessions and 54 female participants in the Gala Day, Kazzia's presentation and presence had a positive effect on the female students in Aurukun.

A total of 94 students and 12 volunteers (including teachers) participated in Aurukun's Hockey Gala Day held on the last day of the 6 week program. Students were introduced to skills and game play in the Hookin2Hockey sessions in the lead up to this Gala Day which prepared all students for what was a highly skillful and competitive demonstration of Hockey.

In partnership with the South West Indigenous Network (SWIN), the RIHP team completed seven road trips across the year to deliver the RIHP program to 75 schools and over 2000 students in the South West Queensland regions of Chinchilla, Roma, Miles, Milmerrin, Dalby, Inglewood, Goondawindi and Warwick.

Hockey Queensland also partnered with Catholic Education to work directly with Indigenous boarding school students to introduce them to mainstream hockey in Townsville. Students participating in the program were trained to enable them to assist in holiday camps when they return to their communities in the holiday periods.

We look forward to continuing and expanding this program in 2017

ASSOCIATION HIGHLIGHTS

Atherton Tablelands Hockey Association

- Several teams competed in State Championships with Ben Lowe (U15), Abby Toshach and Luke Howard (U13) selected for Queensland - a great achievement for our small Association!
- Introduced Tableland Tomahawk S1 & S2 teams into the Cairns competition, so our players got to develop their skills and experience on turf. This means up to a 3 hour round trip each Friday night.

Brisbane Hockey Association

- It was a record making year for our representative teams winning every State Championship held from Super League to U13.
- Our club competition had stable player numbers and teams overall with growth in our Masters and decline in our juniors.
- Our Facebook site was launched early this year as a means of reaching our player base - it provided updates on our team's performances at state titles and details of upcoming development activities.
- Our relationship with BWA is strong and continues to grow through open and collaborative interactions on many operational matters.
- The Brisbane Indoor Hockey League's 2016/17 season (the 5th year since its return to BHA Inc) continues to be strongly supported with over 1,000 participations via 122 teams.

Brisbane Women's Hockey Association

- Our winter fixture season was as busy as ever, with fixture competitions for juniors, seniors and masters, at four turf venues and two grass venues, for over 3,300 registered players.
- We had 20 teams competing at all State Championships from Super League to Masters and 4 teams competing in the U11 Southern Cross at Downey Park.
- Top two placings were achieved in five of the six divisions.
- We continued in partnership with BHA to produce HockeyZone for the promotion and development of hockey; manage the hockey facility at Burringbar Park, run development programs for players, coaches, umpires, schools and discuss the State Hockey Centre and its future with Hockey Queensland.
- Our Board of Management improved many areas of our association including club communication, meeting with every club to discuss their issues and concerns; improving governance with new job descriptions for all volunteer positions; continuing the work to develop an artificial turf at Downey Park and investigating ways to improve our data collection.
- BWA was successful in receiving grants from the Federal Government, State Government, Brisbane City Council, Keep Australia Beautiful and the Community Gambling Benefit Fund for 6 sets of goal nets, umpire and coach development, recycling bins and portable goal nets and equipment.

Bundaberg Hockey Association

- 2016 was a year of opportunities, challenges and success. Our main focus was to continue to build momentum on rebuilding our numbers and replacing and repairing our infrastructure that was damaged over the past few years of floods that the Bundaberg Community suffered.
- Our successful season launch through a local sporting initiative organised by Hinkler Central shopping centre saw several sporting organisations showcasing what was on offer to our community over several days - a great success! Our junior numbers increased.
- Our Sign On Day and Troy Elder Coaching Sessions with the Bulimba Bulls was again a huge success and Troy and the team were so eager to give of their time - it's greatly appreciated!
- Hosting the 2016 Queensland Women's Masters Championships meant a great deal to our Association and was also a great success!
- Thank you to Chris Lancaster (Past President), John Kendall (Championship Convenor), Kevin Knight (Secretary) and Jenny Peardon (Treasurer) for their concerted efforts that made this possible. Our Hockey Association has become richer for Chris's efforts these past years by getting all of us to work together and continue to rebuild the local and the wider community trust and confidence in our Association. Hosting the Championships also allowed us to attract grants to upgrade some of our equipment.
- We want to again thank Hockey Queensland and the Queensland Women's Masters Hockey for the opportunity to host the championship.

- As a chapter closes a new one opens as we look forward to 2017 and the opportunities it presents

Cairns Hockey Association

- Undertook the drafting, developing and delivery of a new strategic plan with fresh ideas all designed to secure the future of Cairns Hockey.
- Strengthened relationships with Tablelands' teams (who are now participating in the local competition) and the evolution of increased social responsibility programs through the Association's rich history with Hockey Queensland RIHP.
- 'Aspire to be Deadly' now sponsored by BDO Nth Qld.
- Over 4000 participants in school, 'Come and Try' and other community programs.
- Our full-field winter competition, modified summer hockey competition and indoor competition has an estimated 1600 people (male and female of all ages)
- Over 300 players and coaches represented Cairns across regional and state competitions.
- Almost 60 coaches, managers and players represented Queensland at national championships.
- 9 players were selected to represent Australia including one Hockey world Masters Champion

- Over 25 umpires and technical officials from Cairns Hockey officiated in regional, state and national championships.
- Cairns Hockey delivered Academy Programs with over 220 players and coaches involved.
- The Australian Government committed 2.7million dollars to facility improvements to ensure these improvements are of the highest quality, meet sustainability and encompass the newest technologies available.
- We thank all our supporters, volunteers, partners, stakeholders, clubs and parents and friends for their assistance in 2016 and everyone involved at Cairns Hockey is excited for the future.

Hervey Bay Hockey Association

- Hosted our first major hockey event on the new turf for the U13 Girls State Championships. The event was a resounding success with a spectacular grand final between Brisbane and the Fraser Coast (with athletes from both Hervey Bay and Maryborough) resulting in the first win for the Fraser Coast Girl's U13 Div 1 team.
- A number of our junior and senior players accomplished selection at State and National level in both field and indoor hockey.
- We trialled a senior women's reserve grade evening which was well supported and will continue in 2017. We have begun upgrading our lighting system to LED to assist with reducing power costs and longevity.

Ipswich Hockey Association

- 2016 presented some challenges with a depleted A Grade Men's competition looking likely prior to the season commencing. This challenge was met head on resulting in a two round intercity competition with Toowoomba Hockey to boost our 3 team A Grade competition.
- We sincerely thank Toowoomba Hockey, their clubs and players for what turned out to be a very competitive and enjoyable Men's competition. And all the hard work has paid off with the extra team back in A Grade for the 2017 season.
- Our junior boys was the success story of 2016 with sufficient numbers to reintroduce a third boy's grade for the first time in 5 years and our players and umpires who proudly represent their association across Queensland and Australia.
- We continued to ensure our Hookin2Hockey program focused on basic skills in a fun environment and our "Ipswich Hockey goes to Rio" was an extremely colourful and fun morning for players, coaches and families on the sidelines.
- Our hockey community dug deep for our Mother's Day Market community fundraiser supporting Bears of Hope Pregnancy and Infant Loss Support raising \$2,000.
- We continue to look at new ways of retaining and recruiting players of all ages, and 2016 was a year that we invested a lot of time holding forums and discussions with our senior players to enable their ideas and suggestions to be heard and discussed.
- We have a great team working together to keep the "day to day" ticking over as well as ensuring the future continues to look bright.

Sunshine Coast Hockey Association

- We had a very busy year hosting five major events: Queensland Men's Masters Over 60s, State Primary Schools Championships, State U13 Boys Championships, Northern University Games and National Police and Emergency Games.
- This was achieved by a newly elected Board and a new Strategic Plan and new Development Plans for a second international turf and academy.
- We've confirmed the Scottish Hockey Team will train at our facilities prior to participating at the Commonwealth Games and we are negotiating our partnership with the University of the Sunshine Coast.
- We achieved Level 3 Good Sports Program accreditation and full integration of the IMG system into competitions.
- Australian representatives including Masters, Queensland representatives in all age groups including masters and indoor and development training for all ages.
- The SCHA is looking forward to working with Hockey Queensland and Hockey Australia in new partnerships and taking hockey forward for 2017.

Redlands Hockey Association

- We are continuing to grow with our U7 competition expanding and we are encouraging players over 16 years of age into our senior competition so our mothers/daughters and fathers/sons can play together.
- We were recognised by HQ for supporting tech benching and accreditation of our juniors at the U18 Men's State Championships and we reached a total of 70 umpires this season.
- We expanded our turf opportunities with our U15 girls team entering the Gold Coast competition, a women's team playing Monday Masters, Men playing at Redcliffe, Summer junior/senior and mixed teams on turf at Easts and State Hockey Centre.
- Over 120 RHA players in summer indoor hockey and we expanded the school's programs with the appointment of a Sporting Schools coordinator including a primary schools cluster day, Come and Try day and the Gala day at Toowoomba.
- Our successful application for a lighting grant of \$100,000 to install lights on the back fields for 2017 will offer many opportunities for training and playing different forms of hockey.
- We had many player selections for Queensland and achievements in representative hockey with an outstanding effort by Jackson Freeman who was selected for the second year running as a Qld umpire and toured New Zealand umpiring both the U19 Men's and Women's School teams. Jackson was awarded "Qld Young Aspiring Umpire" at the U15 Men's State Championships.

Rockhampton Indoor Hockey Association

- Commencing fixtures at Glenmore High School Mike Maher Centre only to then have to change venues and delay our local competition and with one week before the U15 Boys Indoor State Challenge. We contacted 22 venues to secure a suitable venue to play Indoor Hockey in Rockhampton.
- Our sincere thanks to the Member for Keppel, Brittany Lauga, the Livingstone Shire Council and Aurizon Rail for their support. Thank you to our willing band of workers who gave freely of their time and worked tirelessly to make sure we had a venue for the State Challenge.

- Special Thanks to Hockey Qld for their patience—we do realize that there would be much concern regarding the event, but all went well, and most Centres came and congratulated us on hosting the event.
- Rockhampton Indoor Hockey had a number of Players and Shadow Players selected in Queensland Indoor Hockey Teams to attend Australian Indoor Hockey Championships in Wollongong and Australian level.
- Cathy Irwin is a Qld Selector for U13 and U15 Girls and coached U13 Girls Indoor Hockey Teams. Her team Fire were successful in winning in Wollongong this year and also won the Play the Whistle Award.
- We had umpires receive accreditations at the State Challenges in the Australian Indoor Hockey Championships.
- Our best wishes to Darrin Madden, our President for many years, player, coach and umpire who moved to Brisbane for work. Darrin gave generously of his time and was a loyal Indoor Hockey supporter and was awarded Life Membership.
- Thank you to the small band of workers who give generously of their assistance throughout the Indoor Hockey Season.

Toowoomba Hockey Association

- Continued to reinforce the hockey development programs which has yielded results at all levels with 1 State divisional win and 10 teams making the top five in their respective age groups.
- Region has strongly represented Toowoomba players at a State and National level with over 57 players being selected and/or talent identified to represent Queensland.
- 17 players across men and women were selected to represent Queensland at the State Championships in the Masters competition.
- Junior development program has grown with 102 players signing through the Hookin2Hockey program.
- Facilitated The Edge holiday development programs and off season training programs, a free hockey development program in local primary schools across the Darling Downs and hosted School Gala Days.
- Continued to sponsor the Toowoomba Hockey Academy run through the Wilsonton State High School.
- Hosted the Queensland All Schools Hockey Tournament in October with 24 girls' teams and 16 boy's teams competing from all over Queensland including Cairns, Rockhampton, Brisbane and Gatton.
- In Indoor Hockey THA representative teams attended the U13 Boys and U15 Boys and Girls State Championships, along with a Come and Try program and very successful off-season tournament.
- Now have a state of the art indoor arena available at the University of Southern Queensland.
- Worked with Hockey Queensland to base an additional Development Officer in Toowoomba to deliver the South West Queensland Remote and Indigenous Hockey Program.

Townsville Hockey Association

- Continued the development of players and coaches led by RCD Marc Pike including successful Hookin2Hockey programs, a 2.5% increase in player numbers with the competition having 66 teams across 17 divisions from U11 to Masters Men.
- Umpires had great success with 9 umpiring at National and International championships.
- Across all ages, 14 players were selected in various Australian teams, squads, or as shadows and 66 players were named in state teams, squads or as shadows.
- 2017 is looking bright, made possible by our major sponsor, Maidment Development Group. with many infrastructure projects currently underway:
 1. Just Hockey have opened a completely new, larger, stand alone pro shop.
 2. The facility entrance road is being resurfaced.
 3. The pedestrian access path will be completely replaced and the office is currently undergoing a major renovation.
- The association is currently developing a master plan with the view to a structured approach to facility improvements, including the replacement of the two turf surfaces.

Warwick Hockey Association

- Warwick Hockey had a fantastic 2016 year!
- Started our season by hosting 'Mixed Over 35's Vets Carnival' in February. It was a great weekend with positive reports from all visitors vowing to come back in 2017 with more teams.
- New management committee had their 'L Plates' on as they worked through the many steps required in running a sporting organisation. We reconfigured our canteen area to create our own 'Hockey Shop' for uniform and game equipment basics for our players.
- Catered for juniors from 4 to 15 in the junior hockey competition. Successfully fielded representative teams for both boys and girls in U11's, U13's and U15's as well as an U18 boys team. We thank the efforts of all coaches, managers, umpires, players, parents and supporters who make these trips successful.
- Junior co-ordinator, Michelle Byrne, with Neil Shearer and one of our local players, Angela Groves, successfully brought hockey into primary schools in 2016.
- The first primary schools hockey competition in term 4 saw six primary school teams compete after school. Many excited kids have vowed to return for 2017 as a result of these two events.
- Senior competitions consisted of a Mixed Competition (Mixed Reserve), Senior A Grade Men and Senior A Grade Women. Our own Super League competition was run in addition to these Senior competitions which brought many players and supporters down to the field on a Friday night to cheer on their players!
- Matthew Hagenbach, Adam Byrne, Rob Pohlman & Peter Andrews were selected in Queensland teams to play at the National Championships in Adelaide.

- Awarded a number of grants: Queensland Gambling Community Benefit Fund of \$23,700 to upgrade facilities; Get Going grant of \$7500 to facilitate training for our current committee and \$7500 to Corinthians Hockey Club for umpiring and coaching development for all WHA players. A great result for our small association!
- Warwick Hockey is appreciative of all umpires, tech officials, coaches, managers, groundsman, committee members and all volunteers who assist our small association in more ways than one.
- Juniors were given wonderful opportunities to attend a Coaching Clinic during the year by National Team members Dylan Wotherspoon, Madison Fitzpatrick, Goalkeeper Toni Cronk and as well as Mark Knowles and Jodie Kenny - Wow! Some of the best players in Australia at Tweed Border Association - we are very thankful to those fantastic ambassadors of hockey!

Tweed Border Hockey Association Inc.

- Hosted a very successful Under 18 Men's State Championships and with our own competition just starting it was a busy first week of hockey.
- The Tweed boys took to the field in their new Representative colours of Jade and Maroon with many positive comments on the new strip. Our boys finished a credible third in division 1; the team was promoted to division 1 after winning division 2 in 2015.
- Junior boys continue to challenge organisers, particularly in the U13 age group. With only two local teams from Murwillumbah and Casuarina, we were grateful that Gold Coast included them in their competition which gave our boys a strong competition that Murwillumbah won on Gold Coast home turf.
- Well represented at State and National level with the number of players selected in respective teams and squads. We are fortunate to have a small band of dedicated and knowledgeable coaches in our local hockey academy program, along with National players Savannah and Madison Fitzpatrick and Gabrielle Nance, Oliver Crane and guest coaches; Burras players Kurt Lovett from NSW, Max Hendry from Victoria and Blades player Simon Borger.
- New scoreboard was installed for Turf 2 during the year and finally wired up just in time for the finals and Grand Finals.
- Co-hosted the 2016 Jupiter's Pan Pacific Masters Hockey Games with Gold Coast in November with great hockey and sportsmanship on display all week. A massive "thank you" to everyone that worked tirelessly to make the event a success.
- We all really need to work together to guarantee a great future of hockey for our children and grandchildren.

HQ OPERATING COMMITTEES

REPORTS

Hockey Queensland Women's Masters Committee

- Continued to work positively with HQ staff, HQ Technical Operating Committee and HQ Umpires' Committee to promote and support Women's Masters activities
- Shared current information with all Women's Masters players through our website and Facebook
- Communicated relevant Hockey Queensland and Hockey Australia information via HQ Women's Masters network of Association Delegates
- Met with Association Delegates at the State Championships to share initiatives and gain feedback
- Provided support to Bundaberg Hockey Association who hosted an outstanding 2016 HQ Women's Masters Championships with 46 teams participating
- Introduced pre-championship optional trials for players eligible for selection in Over 55, Over 60 and Over 65 Qld teams, with over 40 players trialling
- Selected eight teams to compete in the 2016 National Women's Masters Championships in Hobart, including a team in Over 35, Over 40, Over 45, Over 50, Over 55, Over 60, Over 65 team in the Inaugural HA Over 65 Championship and a second team in Over 55 age Championship
- Carried out state wide fitness tests to ensure all players were free of injuries which would adversely affect their and the team's performance at the National Championships
- Introduced the role of Contingent Coordinator (Karin Walduck appointed) to oversee the management of eight state teams
- Reviewed yearly activities and revised 2016 HQ Women's Masters Handbook
- Promoted TeamQLD by appointing Jenny Tidey OAM as HQ Ambassador to the Queensland teams competing at the National Women's Masters Championships.

Linda Hunter, Chair

Umpire Committee

Queensland Hockey Umpires enjoyed another successful year of Officiating in 2016.

A highlight in the year of the Olympic Games in Rio de Janeiro, Brazil, was our own Adam Kearns officiating in Rio and being named Reserve for the Gold Medal match! Adam also umpired a very important match in the Quarter Finals between Spain and Argentina (the eventual Gold Medal winners) and this game always proves to be very competitive between these "hot headed teams". While HQ have seen two female umpires at Olympic Games, Adam is our first male umpire to achieve this success. Congratulations to Adam!

Three of our well-known International Umpires, Lynn Cowie-McAlister, Dino Willox and Irene Clelland announced their retirement from International and National Officiating this year and we wish them well as they pursue other roles in life and hockey officiating. We also acknowledge Jan Hadfield's (PB) contribution to hockey on her retirement from international duties.

Internationally, a significant number of Queensland Officials were selected in a number of International Tournaments and Test matches.

National Officiating appointments, in both Indoor and Outdoor hockey, show Queensland as one of the dominant States for Officials being appointed to National Championships.

Our Committee recognises the contribution of a number of people who are selected in either or both International and National Tournaments and who also take the time to Coach our Umpires at our State Championships and Challenges. Together with our many tireless volunteers, who also attend our State Tournaments, our focus is to provide the up and coming umpires with quality coaching and advice to ensure Queensland is very well placed to continue performing strongly in all areas of Officiating.

Together with the development of our players, our officials also make themselves available to officiate at Development Camps and Under-age trials for Queensland selections. Our next step is to increase our coaching at these events and also create Education Sessions for our Umpires to hear from our "Top Level" Umpires and Umpire Coaches.

Our Committee encourages all Associations to promote Officiating in their Centres to ensure we continue to see an improvement in the number of young umpires being available to represent their Association at State Tournaments. Initiatives such as the Umpire Mentor Visits are available to all Associations and the earlier the enquiry, the more likely it is that we will be able to meet your request for dates and support.

In all, 2016 was another very successful year for Officiating in Queensland and by Queenslanders!

Lyn Hill, Chair

Technical Officiating Committee

2016 again was a very successful year for technical officials in Queensland, in terms of education, accreditations and appointments. The Committee met in January, February, April, May, July, August and October.

The following technical courses were conducted during 2016:

Hockey Queensland Level 0
Townsville, Brisbane

Hockey Australia Level 1
Cairns, Maryborough, Brisbane

Hockey Australia Level 2
Brisbane

Hockey Queensland Tournament Director's Course
Brisbane

During 2016, the following people achieved various accreditations as detailed below:

Hockey Queensland Junior Judge Certificate

Hayley Anger	Redlands
Emma Systa	Redlands
Joanne Park	Redlands
Bernadette Systa	Redlands
Matthew Astbury	Townsville
Tyler Caris	Townsville
Zachary Judge	Townsville
Williams McMahon	Townsville
Bernie Wienert	Cairns
Katie Pittendreigh	Cairns
Luke Brown	Sunshine Coast
Everard Schenk	Sunshine Coast
Deanne Marsden	Mackay
Zoe Rippinggale	Mackay
Vicki Spyve	Mackay
Antoinette Westcott	Mackay
Henry Lickiss	Gold Coast
Courtney Stacey-Birch	Bundaberg
Tricia O'Hanlon	Rockhampton
Stephanie Pritchard	Brisbane
Ariana Gough	Brisbane
Donna Hourigan	Gympie
Jasmin Collier	Gympie
Catherine Parker	Gympie
Nicole Greig	Toowoomba
Vanda Storie	Toowoomba

Hockey Queensland Senior Judge Certificate
Portia Anger Redlands

Hockey Queensland Tournament Director Certificate
Brent Brown Sunshine Coast

Hockey Australia Level 1 Judge
Jessica Cassidy Brisbane
Leisa Whitlock Brisbane
Felicity Dunstan Brisbane
Pauline Alchin Ipswich

Megan McNamara	Sunshine Coast
David Starr	Sunshine Coast
Christopher Harris	Cairns
Janice Noonan	Cairns

Hockey Australia Level 2 Technical Officer

Caitlin Gotting	Ipswich
Sandra Hayes	Gladstone

The following people provided their time and services as Assessors at various Hockey Australia and Hockey Queensland Tournaments in 2016:

Ronda Nix
Lyn Thomas
Joanne Greensill

2016 also saw the introduction of the inaugural Hockey Queensland Technical Award fittingly named the Nix-Thomas Award recognising the contribution of Ronda Nix and Lyn Thomas to technical officiating in this State.

Finalists were Joanne Greensill, Ronda Nix and Vicki Warren with Ronda Nix being presented this award in 2016.

Thank you to all Technical Officials across Queensland for your commitment to hockey throughout 2016.

Joanne Greensill, Chair

Indoor Hockey Advisory Group (IHAG)

The Indoor season runs predominately between October and February and therefore across 2016-17.

The IHAG was elected in 2015 for a 2 year term. To ensure the Indoor game in Queensland continues to develop, IHAG conducted a season review in February 2016 which was facilitated by CEO, Louisa Begley. This was a great opportunity to plan and continue to move Indoor forward in Queensland. IHAG commenced monthly meetings in June 2016 and opened EOI's for Coach, Manager and Selector positions for State Teams as well as EOI's for centres to host State Challenges.

2016-17 has seen an increase in the number of Centres who have an Indoor Competition. In addition to Mackay, Rockhampton, Maryborough, Ipswich, Brisbane (both BIHL at Kedron and South Brisbane Vipers at Mt Gravatt) we welcomed Cairns, Toowoomba and Gold Coast as they re-joined the Indoor scene. All reports have been extremely positive and it is exciting to hear of the expansion of the Indoor game.

Thank you to BIHL who hosted both the Open/U21 & U18 Men and Women Challenges on separate weekends. The initiative of having a prize pool for the Open Men and Women's Challenges was a positive move and we hope that this will see continued growth in 2017-18 Challenge. Getting the right combination of dates to gain maximum participation is an ever increasing challenge at the Open level of Competition following AHL and a hectic field season which is reflected by Open Men having a 5 team competition & the Open Women only 3

teams. Comparatively, the Under 18 Men and Women's competitions were the biggest in numbers for some time with 9 men and 10 women's teams.

The Maryborough Indoor Community put their hand up for a massive contribution to Under-age competitions as we had to split the Under 13 competition of boys and girls into two different weekends. They hosted Under 15 Girls, Under 13 Boys and Under 13 Girls over 3 consecutive weekends. The Under 15 girl's competition had 10 teams, Under 13 Boys 12 teams and Under 13 Girls had two pools of 8 teams per pool, a record for our numbers at this level. Well done and thank you to all in Maryborough!

Rockhampton Indoor worked tirelessly to secure a venue at Yeppoon at the eleventh hour to host the under 15 Boys State Challenge with a 12 team competition and we sincerely appreciate their efforts to make this happen - thank you and well done!

To achieve successful State Challenges, we recognise our Host Centres, our Officials - Technical, Umpire Coaches and Umpires. Additionally we recognise our players, the team Coaches and Managers and the State Selectors. All of these people give up an amazing amount of volunteer time to make these events happen and we want you to know you are appreciated.

The Indoor State Teams performed reasonably well across the board at the National Festival of Indoor Hockey held in Wollongong in January.

Thanks to the Coaches and Managers of these teams for their tireless work in both preparation and during the Tournament.

A list of Officials who represented Indoor at the National Indoor Festival of Hockey are listed in Annual Report separately and are acknowledged by the IHAG for their professionalism and dedication to the sport.

Australian Men and Women's Teams toured Europe in 2017 and Australian Squads were announced for the upcoming World Cup in 2018 as well as a Development Squad for both Men and Women with Queensland being well represented. Congratulations to all listed and our best wishes to squad members for your future selection opportunities.

Lyn Hill, Chair

Talent Pathway Programs

High Performance Advisory Group (HPAG)

The HPAG was formed in 2014 with the key objective to facilitate the advice and recommendations from the HPAG to Hockey Queensland on strategic matters pertaining to the talent development pathway, competition and development programs in Queensland.

HPAG currently meets monthly and agendas include a range of matters listed below based on key activities, priorities for the year and specific needs:

- Oversee and provide input into strategic matters relating to competition and development
- Provide recommendations to the CEO across Talent Development, High Performance and Competitions including timing of the annual Events Calendar
- Opportunities to attract visiting teams and/or potential development tours and linkage into Hockey Australia Player Development initiatives
- Provide advice on innovations to competition formats
- Establish, implement and review a robust, transparent and timely selection process and development pathway system for players, coaches, managers, selectors and officials for HQ teams
- Appoint coaches, managers, selectors and officials based on recommendations from the Operating Committees
- Establish, implement and review the required policies to ensure alignment with national policies and relevance for Queensland.

Greg Richards, Chair

Coach Development

An Advanced Coaching Course was conducted at the Gold Coast in January. The course was a joint Hockey Queensland / Hockey Australia venture overseen by John Mowat, Education Manager Hockey Australia covering high level coaching practices including sports science, psychology and skill development for 20 coaches from across Queensland. It is anticipated that these coaches will now be even more enthusiastic about their coaching and will pass on their newly acquired knowledge to other coaches.

Another great coach development initiative has been coaches' attendance at State Team Trials (U15 and U18) and the Emerging Player Camps to develop coaching skills in a competition environment. This opportunity allows for coach assessment with feedback provided to coaches who may wish to continue to develop to a representative level. Hockey Queensland now ensures Assistant Coaches are appointed to all Queensland Teams from U13 through to AHL. These roles provide excellent development opportunities in a National Championship environment.

The Regional Coaching Directors around the State play an important part in the development of coaches within each centre and do a great job in continuing to bring competent coaches through the Queensland coaching system.

Thank you to all coaches across Queensland for their commitment and contribution to developing players on their pathway.

Barry Vohland, Program Manager Talent

AHL BLADES

Within the playing group we had new challenges this year, as players weren't available due to commitments in Europe and some former key players had injuries. For us this was a great opportunity to give seven new players a chance to play for the Blades for the first time.

People have commented that the Blades "weren't very successful this year." Yes that maybe said, but again success can be measured in different ways.

In the team, three players were named in the Junior World Cup team, two new players were named in the National Development squad and five players were named in the national squad.

AHL 2016 was the start of new era with four international teams playing in the tournament, India, two Malaysian teams and a New Zealand team. The new teams set new challenges for the coaching staff and as a playing group, it was the unknown as we had never played some of these teams before.

First game was against NSW. I felt the game was pretty even and the statistics backed that up. But we had more missed opportunities. At this level of hockey, those missed chances will in the end come back to bite you and with the competition being so cut-throat, you may not get another chance.

The second game was against Malaysia Tigers. We had played them previously in Brisbane and a number of players from that series were playing in Perth. I felt that it was a better game for us compared to the game against NSW as we took the chances we had created. The statistics indicated that we could have scored more, so again missed opportunities.
QLD attacking circle entries (29) Goal shots (24)
Attacking corners (9) Goals (5), whereas our defence showed that we restricted them:
MSYS Attacking circle entries (12) Goal shots (6)
attacking corners (3) Goals (2)

Game three was against Victoria. It was a crunch game for us, so we couldn't lose this one or we would be playing in the bottom half. The statistics would show that maybe we should have won this game, but to Victoria's credit they scrambled well and we weren't clinical enough in front of the goal box and we turned over the ball in crucial parts of the field giving Victoria great attacking opportunities.
QLD attacking circle entries (39) Goal shots (11)
Attacking corners (0) Goals (3)
Victoria attacking circle entries (30) Goal shots (7)
attacking corners (5) Goals (5)

Game four was against Northern Territory. We knew at this point that we were out of the top two in our pool so all we could do was to keep on winning and hope that there was an upset in one of the remaining games. I felt that the connection/movement through the mid-field was giving us a really good platform to go forward but again I think we weren't clinical enough. Defensively in the second half I felt that we gave them too much space which in turn put pressure on us defensively. I think we came out with the result that we were looking for but I thought the team could have played better.

Game five was against New Zealand our last round match. Win or lose this game it wouldn't make a difference to getting into the top two as Victoria and NSW had won their last two games. I felt that we played with a lot more freedom, pressing forward, getting good steals from their back four and going forward with flow.

Game six was against Tassie Tigers in the first crossover. Tassie have always been a team that we struggle with and as a team we wanted to finish as high as we could so this was an important game.

Game seven, we played off against Malaysia Tigers again for fifth and sixth. We wanted to finish on a good note so we were keen to play well. We started well, scoring early but I think we relaxed thinking that the game would come to us. The Malaysians come back in the third quarter and scored 2 goals. In that same quarter we equalised and scored another 2 goals in 4th quarter.
QLD attacking circle entries (24) Goal shots (8)
Attacking corners (4) Goals (4)
Malaysia Tigers attacking circle entries (26) Goal shots (11) attacking corners (5) Goals (2)

I would like to take this opportunity to thank Hockey Queensland for allowing me to coach the Queensland Blades. We have been so successful over the years, because of the support staff that travel with the teams Matthew Wells, Peter Searston, Trish King and Jessie Buntine. I'd like to thank them all for the hard work they put in before and after the tournament.

I will finish with a big thanks to all players in the AHL squad. All players were competitive, and I felt that everyone contributed to the group.

Mick Evans

AHL SCORCHERS

Once again I am grateful for the opportunity to be the Head Coach of one of Australia's Premier female domestic sporting teams. Being able to build on the culture and success of 2015's campaign had enormous benefits but also presented its challenges.

I would like to thank the other Performance Enhancement Team that worked with the players during the preparation and at the Championships. Kim Tuckwell - Forwards Coach/Manager, Ben Currie - Physiotherapist, Marni Simpson - Video Analyst and Assistant Coach, Des King. This team of professionals understand what is required at this level to be successful and challenged the athletes to not defend their title, but to win it for themselves.

Prior to departure to Perth, special mention goes to the excellent staff that provided expert coaching to the group. Thank you to specialist coaches that worked with our group in the build-up. Mathew Smith, Stephen Lambert, Angie Lambert, Nikki Taylor and the outstanding physiological preparation from David Watts and Technical Assistance of Trish King.

Congratulations are extended to all the players involved in their successful campaign and becoming the 2016 AHL Champions. Having seven new players to the team that won in 2015 presented a completely different dynamic to the playing group and required a change in our playing structure.

The significance of this change in playing group is monumental. The seven outgoing athletes were highly experienced Australian representatives and were replaced by first year AHL rookies!! The high fundamental skill level of the rookies, allowed us to create a playing style that we felt would bring us success. The performance and leadership of Jodie Kenny and Jordyn Holzberger, was pivotal in enabling the rookies to contribute to the team's performance.

Matches

- TAS - 2-0. Played on Pitch 2 and a test for the new players. Goals to Jodie Kenny and Renee Taylor
- WA - 0-2. Oddly enough this game set us up for the remainder of the tournament. It demonstrated how the top teams were going to play against us and I knew we had the quality players that would be able to execute the required changes to our playing style.

- NT - 3-0. Tough game against quite a few other Queenslanders. A good follow up game after them seeing what WA had been able to execute against us. Although not really challenged, it was good to bounce back. Britt Wilkinson scored her first goal and Jordyn Holzberger and Savannah Fitzpatrick also scored.
- NZ - 5-0. Superior fitness levels were clearly evident in this match. Although it was good to get the goal difference up, this was assisted by outstanding goalkeeping from both Audrey Smith and Clare Commerford. Goal Scorers - Rosie Malone, Britt Wilkinson, Jodie Kenny, Madison Fitzpatrick 2.
- ACT 2-1. Tough match against a tough opponent. Good timing in the tournament to be challenged in this fashion. Defence was excellent allowing us to take confidence into the finals. Goals - Jordyn Holzberger, Rosie Malone.
- NSW 2-0. NSW had the team with the best players at the tournament but at the moment, they struggle mentally against the Scorchers. Goals - Bec Greiner, Jodie Kenny but the match was set up by excellent defensive structure and a very good game from Audrey Smith.
- Championship Match v VIC. 3-2. After again getting behind by an early goal, the team went about getting themselves into the match. This was difficult given that the occasion was proving to be very big for the new players. After defending 8 penalty corners in a row just prior to half time, one sensed that the tide had turned. After half time we were able to equalize off a penalty corner and you could feel the wind go out of the Vic's sails. A field goal followed by another PC goal put the result beyond doubt. Champions again!! Goals - Savannah Fitzpatrick, Bec Greiner, Jodie Kenny.

A standout performance given the playing list. A big thank you to Des King for the way that he organised the tour, the team and the staff.

Lee Bodimeade

HOCKEY QUEENSLAND INC. BOARD OF DIRECTORS REPORT

Your Directors have pleasure in presenting the financial statements of Hockey Queensland Inc. (the "Association") for the year ended 31 December 2016.

DIRECTORS

The names of Directors throughout the year and at the date of this report are:

Steven Stewart	(President)	Appointed on 19 th March 2016
Tara Diamond	(Vice President)	Appointed on 19 th March 2016
Darren Cavanagh		Continuing Term
Patricia Hansen		Continuing Term
Victoria Carthew		Appointed on 19 th March 2016
Graham Astbury		Appointed on 19 th March 2016
Colin Murphy		Appointed on 19 th March 2016
Paul Mantell		Appointed on 19 th March 2016
Karin Walduck		Term ended on 19 th March 2016
Howson Gush		Term ended on 19 th March 2016

PRINCIPAL ACTIVITIES

The principal activities of the association during the financial year were:

- To grow participation, develop athletes and officials and promote the sport of hockey in Queensland,
- To provide a sustainable, well-utilised facility that support the growth and development of hockey; and
- To promote and implement good governance practices within all levels of the administration of the sport of hockey in Queensland.

SIGNIFICANT CHANGES

No significant changes in the nature of these activities occurred during the period.

OPERATING RESULT

The deficit from operating activities for the year amounted to \$258,128 (for the 15 months ended 31 December 2015 - deficit \$370,947).

LIKELY DEVELOPMENTS

The Association is currently negotiating its existing lease with Brisbane City Council to excise the areas of the lease (the grass fields and Function Area) that are not directly relevant nor conducive to the growth and development of hockey. The new lease arrangements are expected to take effect from April 2017. The Association is also negotiating with another hockey entity to formalise an arrangement to manage the new lease area, being the State Hockey Centre fields and infrastructure from 2018.

Signed in accordance with a resolution of the Board of Directors.

.....
Steven Stewart
President

Dated this 17th day of March 2017

.....
Paul Mantell
Director of Finance

HOCKEY QUEENSLAND INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 1: STATEMENT OF ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared for use by the Association's Directors and Members and in order to satisfy the financial reporting requirements of the Associations Incorporation Act 1981 (Queensland). The Board of Directors has determined that the organisation is not a reporting entity.

The requirement of accounting standards and other financial reporting requirements in Australia do not have mandatory application to Hockey Queensland Inc. because it is not a reporting entity. This special purpose financial report has been prepared in accordance with the requirements of the Associations Incorporation Act 1981 (Queensland) and the following Australian Accounting Standards.

AASB 116:	Property, Plant and Equipment
AASB 102:	Inventories
AASB 101:	Presentation of Financial Statements
AASB 110:	Events after the Reporting Period
AASB 1031:	Materiality

No other applicable Australian Accounting Standards have been applied.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations on non-current assets. Cost is based on fair values of the consideration given in exchange for assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Inventories

Inventories consist of uniforms and equipment and are measured at the lower of cost and net realisable value.

(b) Employee entitlements

Provision is made for the Association's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount.

Long service leave provisions are calculated once an employee has seven years' continuous employment.

HOCKEY QUEENSLAND INC.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 1: STATEMENT OF ACCOUNTING POLICIES (continued)

(c) **Income tax**

The Association considers that it is exempt from Income tax. No provision for income tax has been brought to account on this basis.

Revenues, expenses and assets are recognised net of the amount of GST except as allowable by the taxation authority.

Cashflow is included in the cash flow statement on a gross basis.

(d) **Plant and equipment**

The Board of Directors records expenditure on plant and equipment as non-current assets.

Plant and equipment are brought to account at cost, less where applicable, any accumulated depreciation and any impairment losses. The carrying amount of plant and equipment was reviewed in the year by directors to ensure it was not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of expected net cash flows, which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

The depreciable amount of all fixed assets including capitalised leased assets, are depreciated over their estimated useful lives commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable asset are:

Buildings and facilities	3% - 40%
Fixtures and fittings	10% - 50%
Office equipment	10% - 40%
Plant and equipment	3% - 40%

(e) **Revenue**

Revenue from the sale of goods and services is recognised upon the delivery of goods/provision of services to customers.

Revenue from member's affiliations, registrations and insurance is recognised at the beginning of the Hockey season and is based on the number of registered players throughout the Queensland Region. The revenue for member's levies, insurance, registered player's competitions, and some indigenous funding are recorded on a gross basis.

Revenue from government grants and assistance is recognised on a proportional basis taking into account the period for which the grant is given.

HOCKEY QUEENSLAND INC.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

NOTE 1: STATEMENT OF ACCOUNTING POLICIES (continued)

(e) Revenue (continued)

Interest revenue is recognised upon receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(f) Provisions

The Association provides for employee entitlements as per Note 1(b) and for the ongoing maintenance/replacement of major facility assets.

The provision for replacement and maintenance is reviewed annually by the board. The Board determines the need for provisioning in accordance with the need for likely future replacement or significant maintenance and sets aside a corresponding amount of surplus funds. The provision is reduced when the replacement/maintenance occurs or if surplus funds are no longer available to meet the provision. Movement in the provision account for other than spending on replacement/maintenance is recorded against accumulated funds.

(g) Comparative information

In 2015, the Association changed its financial year end to 31 December. As a result, the financial period ended 31 December 2015 was 15 months. The financial statements for the year ended 31 December 2016 include comparative information for the 15 months to 31 December 2015. In order for comparative information to be more meaningful, the financial statements also include comparative information for a 12 month period ended 31 December 2015. This information is not audited and is included for information purposes only.

HOCKEY QUEENSLAND INC
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016

NOTE 21: CONTINGENCIES AND COMMITMENTS

Hockey Queensland Inc. earns reward points through the use of credit cards to pay for ongoing operating expenditure. It is the intention of management to redeem these reward points at a future date. Reward points will be utilised to purchase flights for board members and coaching staff travelling on Hockey Queensland business. There were 350,160 points redeemed in 2016. Total Rewards points available for redemption is 296,798 (2015: 575,903).

NOTE 22: EVENTS SUBSEQUENT TO BALANCE DATE

The Association is currently negotiating its existing lease with Brisbane City Council to excise the areas of the lease (the grass fields and Function Area) that are not directly relevant nor conducive to the growth and development of hockey (1). The new lease arrangements are expected to take effect from April 2017. The Association is also negotiating with another hockey entity to formalise an arrangement to manage the new lease area, being the State Hockey Centre fields and infrastructure from 2018 (2).

As a result of the two proposed events noted above, the carrying value of Property, plant and equipment is expected to be significantly reduced. The estimated effect on the carrying value of Property, plant and equipment is as follows:

Total property, plant and equipment as at 31 December 2016 (Note 13)	\$2,711,197
Less:	
1. Value of property, plant and equipment to be relinquished as a result of the excising of current lease areas	(\$1,168,697)
2. Value of property, plant and equipment that may be relinquished as a result of formalised agreement on management of the new lease area	(\$1,525,355)
Value of property, plant and equipment that will remain as a result of the above two transactions	<u>\$17,145</u>

HOCKEY QUEENSLAND INC.

DECLARATION BY BOARD OF DIRECTORS

The Board has determined that the Association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Board the financial report as set out on pages 1 to 16:

- 1) present fairly the financial position of Hockey Queensland Inc. as at 31 December 2016 and its performance for the year ended on that date in accordance with the Associations Incorporation Act 1981; and
- 2) at the date of this statement, there are reasonable grounds to believe that Hockey Queensland Inc. will be able to pay its debts as and when they become due and payable.

This statement is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

.....
Steven Stewart
President
.....
Paul Mantell
Director of Finance

Dated this 17th day of March 2017

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF HOCKEY QUEENSLAND INC.

Opinion

We have audited the financial report of Hockey Queensland Inc., which comprises the balance sheet as at 31 December 2016, the income statement, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and statement by Members of the Committee.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Hockey Queensland Inc as at 31 December 2016, and its financial performance and its cash flows for the year then ended in accordance with Associations Incorporation Act 1981 Queensland.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Hockey Queensland Inc in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Hockey Queensland Inc to meet the requirements of the Associations Incorporations Act 1981 Queensland. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Associations Incorporations Act 1981 Queensland and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Hockey Queensland Inc.'s ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Hockey Queensland Inc. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Hockey Queensland Inc's financial reporting process.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF HOCKEY QUEENSLAND INC.
(CONTINUED)****Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
