PRESIDENT'S WELCOME

Steve Stewart

*President
Hockey Queensland*

Welcome to the U13 Boy's State Championships being held at Gladstone Hockey Association.

We should never forget the effort that goes into hosting such an event and my thanks goes to all of those that have been, and will be, involved in its delivery.

The many volunteers and employees from Gladstone HA and Hockey Queensland who fulfil the variety of roles required including administration, coordination, planning, technical, umpiring, first aid, catering, cleaning and facility maintenance during these events are the backbone of our sport.

To the coaches, managers and players thank you for your attendance as without you there would not be a championship. I encourage you to bear sportsmanship in mind whilst you compete to ensure the success of the event and the enhancement of the reputation of both you and your Association.

Finally, to the parents, brothers, sisters, grandparents, uncles, aunts, children and friends who are attending the event and either supporting players or just enjoying the spectacle, we thank you for your commitment, interest and support.

I am sure the Championships will be memorable and I congratulate everyone involved.

Thank you.

HOST'S WELCOME

Adrienne Ward

*President
Gladstone & District Hockey
Association*

On behalf of the Gladstone & District Hockey Association it is with great pleasure that we welcome everyone to the U13 Boys State Championships.

To all players, coaches, officials and supporters, we are sure you will enjoy the hospitality of the Gladstone & District Hockey Association and we hope that your stay in Gladstone is a memorable one.

On behalf of the Board, I would like to thank the Championship Organising Committee and our amazing group of volunteers. They have been working hard to ensure the success of the event.

Thank you also to all the sponsors for their wonderful support.

Congratulations to you all and we look forward to a great event.

MAYOR'S WELCOME

Mayor Matt Burnett

Gladstone Region

Welcome everyone to the fantastic Gladstone Region. Situated on one of Australia's largest and safest harbours, Gladstone is the gateway to the Great Barrier Reef and Heron Island.

Our region is home to sprawling parklands, family-friendly recreation areas, beautiful beaches, historic townships and national parks. I hope you get to enjoy the great weather and even better hospitality during your stay.

When you're in between games, make sure to visit Council's heritage listed public art gallery and museum, our renowned pump tracks and skate parks or take a stroll through the beautiful Gladstone Tondoon Botanic Gardens.

Wishing all players, officials, coaching staff and supporters' good luck for their games. I hope you enjoy everything the Gladstone Region has on offer.

TURF RULES

Gladstone Hockey Association Inc

Affiliated with Hockey Queensland Inc.

SYNTHETIC HOCKEY SURFACE

PLAYING/TRAINING RULES

To ensure the longevity of the Artificial Surface, and then (10) years is the target, the following rules have been implemented:

1. The term **"Playing Surface"** refers to the area within the confines of the fence surrounding the artificial surface, player's dug outs and the technical bench.
2. *The term **"Turf Supervisor"** refers to the person, appointed by the duty club of the day, to ensure the below rules are adhered to. If the Turf Supervisor has an issue with the turf rules not being followed, they first need to talk to the person/people breaking the turf rules. If the incorrect behaviour continues the Turf Supervisor, then escalates this to a G&DHA Board member.*
3. There is to be NO entry to the playing surface without the permission of the turf supervisor. No one except the players and the umpires properly engaged in a given match may enter the field of play during the match, unless he/she is invited to do so by an umpire or has obtained authorization.
4. Players, Coaches, Managers, Umpires and Physiotherapists only are allowed on the playing surface during a game.
5. Smoking is not allowed on the playing surface, in the dug outs or cement path that surrounds the playing surface.
6. Foodstuff, alcohol, soft drink cans or bottles, confectionery or chewing gum *etc.* are not allowed on the playing surface. Water in plastic water bottles may be taken onto the fields.
7. All jewellery (including body piercings, *necklaces etc.*) are to be removed before taking the field. An individual fine of \$20.00 and/or suspension can be imposed for breach of this rule.
8. All bobby pins or sharp hair accessories are to be removed before taking the field. Flat hair clips are acceptable. An individual fine of \$20.00 and/or suspension can be imposed for breach of this rule.
9. Insulation tape or strapping tape is not to be left on the playing surface.
10. Correct footwear (in the form of shoes without hard ridges or plastic or metal studs) must always worn. Shoes SHALL be thoroughly cleaned with the foot baths, buckets and brushes provided. Team managers or coaches are responsible for seeing this is done.
11. Sticks with split or jagged edges are prohibited.

12. Goalkeepers are to have all buckles covered to the satisfaction of the Turf Supervisor.
13. Spitting is not allowed on the playing surface, in the dug outs or cement path that surrounds the playing surface.
14. Players with baseball caps or any other hard peaked caps will not be permitted on the playing surface.
15. Players with non-prescriptive sunglasses are not permitted on the playing field.
16. There is to be no club training (including corners) in the main goal circles. *Corner training is not to be practiced in the main turf playing circles.* Any breach of this rule can result in the suspension of training rights for the offending club/s or representative team/s.
17. Entry to and from the playing surface is via the designated points of entry and exit.
18. Jumping over and sitting on or walking on the brick or mesh perimeter fence including brick wall in dug outs are prohibited and a minimum \$50.00 fine may be imposed on offending players and/or spectators.
19. Clubs are to train on the artificial surface in the allocated times as set down by the Association. Training outside the allocated times, team and/or individual, is by prior arrangements with the Association.

Failure to comply by these rules will be regarded as a breach of the Rules of Play. Players and/or officials will be asked to leave the playing surface and normal judicial processes will apply.
