

# HOCKEY QLD WOMEN'S MASTERS TEAM LEADER

## POSITION DESCRIPTION

### Summary

A Hockey Qld Women's Masters Team Leader is responsible for positively influencing the team to ensure the best achievable performance at a tournament.

This is accomplished by being a strong leader, displaying a high level of commitment, focus, intensity, passion and effort, with effective communication skills that encourage, support and confidently hold team members accountable.

**Responsible to:** HQ Women's Masters Committee through Contingent Leader through Team Management (Coach and Manager). Refer to Reporting Framework below.

**Responsible for:** The primary purpose of the Team Leader is to positively support team management and players to ensure the best possible performance.

### The Team Leader(s) will be expected to:

- work collaboratively with the Coach, Assistant Coach and Manager
- provide input and support to game plans and model execution of the plan in personal actions
- contribute to the review of team performance and game plan with the Coach during the tournament
- participate in Team Leader meetings with the Coach during the tournament
- provide leadership during team meetings
- encourage and support team members at all times to ensure positive team interactions
- respect and recognise the contribution of all players
- address negative attitudes and conflict, escalating any issues to team management
- behave professionally and responsibly and maintain composure despite any personal feelings of frustration or anger
- perform other related duties, as needed or requested by team management

## Attributes of a successful Team Leader:

- the desire to lead by example, exhibiting a high level of commitment, focus, intensity and effort
- a passionate belief in team spirit
- ability to inspire and motivate and raise team morale
- ability to demonstrate leadership skills
- good verbal and non verbal communication skills
- responsibility of being team leader while still being an individual player in the team
- understanding of the need to maintain confidentiality about discussions and decisions related to the team
- a thorough knowledge of the game
- an understanding of the requirements and protocols for National competition

## Team Leaders can lead in a variety of ways, including but not limited to:

- leading the warm up and warm down and recovery sessions
- organising off field activities
- identifying and monitoring any issues that are impacting on the team's performance
- finding ways to include players who are less integrated into the team
