

SOUTHERN HOCKEY LEAGUE

LORD MAYOR'S TROPHY FOR BEST PERFORMED CLUB IN ALL GRADES

The inaugural trophy was donated to the Southern Hockey Association in 1964 by the Lord Mayor, Ald. Basil Osborne. It represents consistency by a club across all grades, men and women, boys, and girls.

A new trophy was presented in 2016 by the Hobart City Council.

The award is calculated on the results of senior & junior roster matches of each major club and presented to the Club with the highest overall tally, according to the formulae detailed below.

Determining the Best Performed Club

Calculated by dividing total points earned by games played – the club with the highest score is deemed to be the winner.

Three (3) is the maximum score possible ie a club wins all games – theoretically possible, highly unlikely. The minimum score is therefore zero “0” ie club loses all games it plays.

Example:

<u>Club A</u>		<u>Club B</u>	
Total Points	320	Total Points	360
Games	160	Games	200
Score	2.0	Score	1.8

Club A has the higher score and is therefore the winner.
