

Dianne Jago

Life Member BDHA 1987*

Australian Badged Umpire

(Hockey Tasmania Annual Report 2011)

The hockey community across the State will miss Di's cheery face and quick wit following her retirement at the end of 2011. Di was well known from the canteen at McKenna Park and upon her family's move to Hobart in 1996 Hockey South eagerly offered her the job as Kiosk manager at the Tasmanian Hockey Centre. Di was the face of hockey in Tasmania welcoming players, officials, and spectators alike, from around the country and around the world.
