

## DISPENSATION REQUESTS

The SHL Officiating Group has implemented an online dispensation request form to standardise all requests.

To ensure consistency, can you also please note:

- the form may only be submitted by an authorised club official/committee member (President, Secretary, Junior Coordinator).
- forms should be submitted at least 48 hours in advance of the next game to which the dispensation will apply - as much as we would hope that someone is available to respond immediately, this will not always be the case.
