

Orienteeing Hutt Valley												
Sprint Adventure Race Chapter 6A 4 July 21												
RESULTS (updated 5 July 9pm)												
This is fairly approximate. For rogaine scores and tracks see the MapRun website												
Unlike Chapter 6 on 20 June, this Repeat was held in fine weather!												
Unlike Chapter 6, a vital Sport Ident box failed so we couldn't time the sprints												
Unlike Chapter 6 we had a 3hr as well as a 2hr category. MapRun doesn't know that (and also it over-does the lateness)												
So we've adjusted the scores here, and added 30pts for each sprint you did (if we can see it on the MapRun track)												
Sorry we cant reward the fast sprinters. And sorry if we haven't got the groups right! Report any fixes.
