

# REGIONAL INTERSCHOOLS SNOWSPORT CHAMPIONSHIPS

## FACT SHEET FOR NSW/ACT/QLD/SA SCHOOLS

The Interschools Snowsport Championships is a series of snowsports competitions where students compete for their school as part of a team or as an individual in any of our nine discipline events.

Thousands of students have been introduced to competitive ski and snowboard competitions through the Interschools Championships, establishing a life-long love for the sport.

From Interschools, many students have gone on to professional instructing, coaching and/or competing in higher level competitions, including World Cups and the Olympics.

Over 80 Australian Olympians and Paralympians have begun their competition days in the Interschools Snowsport Championships.

### Sounds great! Who can enter?

School students from all ability levels are encouraged to enter, with an emphasis on fun and participation in the initial Regional Championships. As the competitions move into the State and Australian Championships, the level of competition and the degree of difficulty increases.

It is advised that all competitors must be able to execute link turns and ride a chairlift/T-bar confidently, prior to competing in Regional Level events.

### What if my school does not already compete?

It is important to note that new schools are able to enter the Interschools Championships if they have not competed before, or for a long time.

You don't need to create a team to enter; individual entries are open and we get many competitors who are either the only snow sports participants from their school, or there are only a few participants over different disciplines and divisions.

### How and when do schools enter?

Online entries open in May and are completed by the school's representative, the school coordinator.

New schools will need to assign a school coordinator to complete the entries. Please get in touch with us first if you are a new school to check if there is a previously school registration for the entry system. The entry system can only have one school registration per school.

We can also assist new families in getting in touch with the school coordinator if your school already competes.

## Which Regional Championships do I enter?

If you have seen our [2022 event schedule](#) you would have noticed that there are four Regional Championships.

Which Regional Championships to enter is based on primarily where the school is located.

Here is a general guide to our school location boundaries for the Regional Championships:

19-21 JULY 2022 - FALLS CREEK

South Australia, Greater Hume, South-West NSW, and new in 2022, schools currently in the Northern NSW & Sydney regions can apply to compete in this Championship.

PLEASE NOTE that the Northern NSW & QLD Championships and the Sydney Championships, are held during the busy July school holiday period for the resorts. We encourage schools to move to compete in the ACT & Regional NSW Championships held in Perisher or the South Australian & Regional NSW Championships held in Falls Creek, both of which are held outside of the school holidays and during a traditionally less-busy time at the resorts.

If your school would like to move to compete in the ACT & Regional NSW or the South Australian & Regional NSW Championships, please email your request to the Snow Australia Interschools staff at [interschools@snow.org.au](mailto:interschools@snow.org.au)

A list of schools that entered in 2021 is on the next pages, to provide advice for families looking to participate in 2022.
