

Dual Membership Explained – 2021/22 Season

Welcome to being a Dual Member with Athletics NSW and Little Athletics NSW! This short summary of what a dual membership is, and what it entitles your child to, will assist you in making sure that you're across what Dual Membership means for you for our Athletics NSW 2021/2022 Competition Season.

What does Dual Membership entitle the athlete to?

Being a dual member with Athletics NSW for the 2021/2022 Season (which runs from October 1st 2021 to September 30th 2022) means that the athlete has:

- Access to ANSW-delivered events, ANSW/AA-Permit events, Specialist and Club Competitions
- Coverage for Personal Accident Insurance (under the National Insurance Plan)
- Competition Bib Number, which is required to be worn for all Athletics NSW Competitions

How do I know if my child is eligible for a dual membership with Athletics NSW?

ALL athletes who wishing to register as a dual member with Little Athletics NSW and Athletics NSW must meet two conditions:

- **They must be a registered Member of Little Athletics NSW for the 2021/2022 season**
- **They must be in a Little Athletics U12, U13, U14, U15, U16 or U17 age group**
 - I.e. Must be born between 2005 (U17 age group) and 2010 (U12 age group)

This is my first time registering my child as a Dual Athlete – what is the process to register?

(please note that Dual Memberships will open in September 2021 – more information will be sent shortly)

Firstly, welcome! We're excited to see your child participating at our events!

You'll need to navigate to our [Athletics NSW Membership Page](#) which has all the Athletics NSW affiliated clubs listed, of which you may register for any of those clubs of choice for the 2021/2022 season.

Once you've selected your club from the listing, select **REGISTER >** as a new member for that club.

Follow the relevant prompts/fill out the relevant information, and you're done!

Exactly the same as above, except after selecting your chosen club, select **RENEW >** instead of register.

My child was a Dual Athlete last season – what is the process to register?

Exactly the same as above, except after selecting your chosen club, select **RENEW >** instead of register.

Uniforms & Bibs

Uniform: Dual Members must wear their Senior Club Uniform at ANSW Competitions – that is the club you register for a Dual Membership with via our website.

No Little Athletics Centre Uniforms will be able to be worn at Athletics NSW Competitions (*unless* their Little Athletics and Senior Club uniforms are the same).

Bibs: Competition Bibs will be *either* provided to you by your senior Athletics NSW club, *or* they will be available for collection at the registration area for each Athletics NSW Event (we will come out with more information about bib distribution and collection before the first Athletics NSW competition in October 2021).

So that's about it! After you've registered successfully as a Dual Member with Athletics NSW, you'll be sent email communications about all the event opportunities coming up for your children to participate in.

If you have any questions about membership, don't hesitate to contact our Memberships team at memberships@nswathletics.org.au.

If you have any competition-related questions, you can contact our Competitions team at competitions@nswathletics.org.au.

The last part of this guide is a directory of all the clubs you can register with as your nominated "senior" club (which is the "Athletics NSW" club you'll represent in all our competitions), of which you may select any club to register with.

We look forward to seeing you at one of our competitions soon! Yours in Athletics,
Athletics NSW
