Athlete Check In / Bib Number

Athletes will be issued with their official competition bib when they collect their accreditation at the front gate.

All **TRACK** athletes **must report** to **Athlete Check-in** to advise of their intention to compete **at least sixty (60) minutes** before the scheduled starting time of their first event each day. Once checked in, track athletes must report to the start area of the event at least 10 minutes before the scheduled starting time.

Field athletes do not need to attend Athlete Check in. Once you have entered the venue, please report to the field site at least 20 minutes before so warm ups can be completed.
