

Rowing Victoria

Rower Score Appeals Process
Rower Score Application Form

Introduction

The Rowing Victoria Score is a system of competition that has been in place in Victoria since 2005. The system calculates every rower within Victoria a score between 0.00 and 4.00. The score has been calculated using the formula:

Win: = Current Rowing Score -0.15
Loss: = Current Rowing Score +0.03

Rowing Victoria understands that whilst it believes the data produced is accurate with respect to a person's competition history, there will be some members who wish to challenge and appeal their Rowing Score. To manage this process, this appeals form has been created for members and clubs to complete.

There are two parts to this form:

Part 1 – Individual RS Appeals Form

To be completed by any individual member who wishes to appeal their RS.

Part 2 – Club/Group RS Appeals Form

To be completed by a club who wishes to appeal the RS for a number of its members.

Members wishing to submit an Appeals form should complete the appropriate section and return to: regattas@rowingvictoria.asn.au

PART 1 INDIVIDUAL ROWING SCORE APPEALS FORM

Surname: _____ First Name: _____

D.O.B: _____ Contact Telephone: _____

Mailing Address: _____
