

# Fast Track for Female Coaches

*An intensive coaching and leadership  
course for females on a coaching career path*

## Are you passionate about your coaching role and looking to build on your knowledge?

The Sport NSW Fast Track for Female Coaches course targets female coaches in New South Wales who are seeking to further develop their coaching skills beyond the technical and tactical of their chosen sport.

Join our 6 week course to build on your coaching and leadership skills with sessions delivered by ACPE academics and leading coaches in NSW.

## WHAT is the Fast Track Course?

The course is:

- A series of six targeted 2-hour education sessions delivered over 6 weeks (online for community & in-person for pathway coaches)
- Delivered in partnership with ACPE academics and supported by leading NSW Coaches
- Designed to address core coaching competencies that supplement your current formal or in-formal training.
- An opportunity to connect female coaches with their peers and industry leaders in NSW Sport

## WHO should apply?

The course is for any aspiring female coach who:

- Identifies as female
- Wants to invest in their coaching knowledge and leadership skills

In 2024, two distinct streams will be available:

### The Community Coach

Someone who:

- Is currently coaching a team at a community, association or school level.
- Enjoys coaching at the community or school level (your children, family, friends, or old team)
- Has a passion to learn more about coaching from leading community coaches and academics
- May not aspire to coach at an elite level but knows great coaches exist at all levels
- Has just started coaching or has coached community sport for years

### The Pathway to Elite Coach

Someone who:

- Is currently an aspiring pathway or emerging elite coach
- Aspires to coach at the highest level in your sport (or as far as you can go)
- Has already attained a Level 1 & 2 (or equivalent) in your sport.
- Has been coaching for 5 or more years in sport.
- Is seeking further training to sharpen your coaching skills beyond the technical and tactical of your sport.
