### Exhibitor Information

The second feature of the day is the Expo, where businesses can promote their product and services to the families and community visiting the sale.

We are offering you the opportunity to participate in the Expo to promote your organisation, business, service and/or product to the local and regional snow sports community.

You can set up a promotional area within the main selling area where you can position a table with a tent, flags, banners, brochures, etc. If you wish to sell products, they must be lodged and placed in the main selling area.

To help cover the hire costs of the facility, we ask for a \$100 donation if you are setting up a promotional area at the Sale & Expo.
