Screening and background checks

Table Tennis SA (TTSA) is registered with the SA Department of Human Services DHS Screening Unit to process 'Screening and Background Checks'. For the most part, the checks initiated are for 'working with children' as a volunteer (table tennis coach / Club committee member / working in schools / anyone who directly or indirectly has responsibility for junior table tennis players). Note – there is **NO COST** in processing an application where it is for a volunteer.

The process associated with initiating an online application through the TTSA portal is documented in a procedure on the TTSA website at <https://www.tabletennissa.org.au/about/publications-and-forms/>

Maurice Quinn, email mquinn@tabletennissa.org.au or mobile 0411 042 320 is the TTSA contact in managing the TTSA DHS portal and initiating an online application for table tennis volunteers.

To start the process, email Maurice and provide 3 bits of information:

1. First & Last Name to be used within the application,
2. Email address to be used for purposes of processing the application, and
3. Date of Birth of the applicant.

This will provide Maurice with sufficient information to initiate an online application to be forwarded to your email address.
