

CLUB UNIFORM GUIDE

Document Outline

The purpose of this document is to provide a comprehensive list of club's uniforms and colours, helping to identify clashes. In this process, it is the goal of Hockey Victoria and affiliated clubs to make uniforms and our policy more gender inclusive.

This document includes the Uniform Policy for HV as outlined in **Section 4 of HV's 'Competition Rules'**, as well as the Uniform and Facilities policies for HA as outlined in **Sections 5 and 6 of HA's 'Guidelines for the Inclusion of Transgender and Gender Diverse People in Community Hockey'**. Please read the policies in full.

Also within this document is a template for clubs to use when submitting updated Uniform designs to Hockey Victoria.

Hockey Victoria – Competition Rules

4. UNIFORMS

- 4.1 The playing uniform and alternative playing uniform of the clubs entered in any competition conducted by HV must be approved and registered by HV. Any playing uniform so registered may only be altered with the prior approval of HV. The addition of sponsor logos on a registered uniform is considered an alteration in terms of this Rule.
- 4.2 The registered uniform of each Affiliate shall be worn by all of its players in all matches in competitions conducted by HV except as follows:
- (a) Goalkeepers and/or field players with goalkeeping privileges must wear a coloured shirt which in the opinion of the umpire is sufficient different in colour from that of both teams to clearly distinguish them from all other players on the field. Goalkeepers (wearing full protective equipment) must wear this shirt or garment over any upper body protection. Elbow protection does not need to be covered by the shirt or garment.
 - (b) Where the registered playing uniforms of two clubs are insufficiently distinctive, as declared by HV from time to time and detailed in a Schedule, the second named team shall wear an alternative distinctive uniform (including socks) unless by prior agreement the first named team agrees to wear an alternative uniform.
 - (c) Where a club has requested and received the approval of HV to introduce a gradual change of uniform then players may continue to wear the previous uniform for a period not exceeding two (2) years from the date of approval of the change to the registered uniform and alternative uniform (if any), provided however, that all members of a team must wear a uniform of predominantly the same colour.
- 4.3 An Affiliate may seek the approval of HV for all or certain of its teams to wear, or display, on their uniform and/or equipment:
- (a) a sponsor's logo, and/or
 - (b) graphics or lettering (for sponsor advertisement), on the shirt but not in a manner that would obscure the player's number (if any),
- Provided however a prominent position of each club's uniforms must remain available for the placement of any HV sponsorship logo.
- 4.4 A player on the field of play must not use or be equipped with any device to receive or provide communication.
-

Hockey Australia – Guidelines for the Inclusion of Transgender and Gender Diverse People in Community Hockey

5. UNIFORMS

5.1. Individuals may wear the uniform of their choosing as it aligns with their gender identity, so long as it abides by wider Hockey attire rules.

5.2. Individuals requiring uniforms (for example, athletes, officials and coaches) are to be provided with an appropriate range of uniform styles and sizes to select from.

5.3. If gendered uniforms are necessary, the individual may choose which uniform they would prefer to wear.

6. FACILITIES

6.1. Hockey Australia recognises the existing difficulties faced in having adequate changeroom and shower facilities.

6.2. Hockey Australia supports the right of people to use changing and bathroom facilities which best reflects their Gender Identity, whilst recognising a strong preference for privacy within those facilities.

6.3. Within Hockey Australia and Australian Hockey Organisation managed facilities, people have the right to use changing and bathroom facilities which best reflects their Gender Identity.

6.4. Where new facilities are built or upgrades are taking place, Hockey Australia and Australian Hockey Organisations will advocate for options to create inclusive spaces with appropriate private spaces. Examples would include:

- a) Changing signage on some facilities to unisex/gender neutral;
 - b) Modifying changerooms and bathrooms to create private spaces (higher doors, room, dividers, shower curtains etc); and
 - c) Ensuring all changerooms have appropriate waste disposal.
-
