

FAQ – Flexible Registration (5 Games)

What is the five (5) game registration?

The five (5) game registration is for players wishing to compete in the 2022 Winter Competition season which can't commit to the full amount of games due to other commitments or are new to the sport. This registration offers a reduced fee and is available for players of all ages. A member purchasing this registration will be granted five (5) games.

Does this registration cover me for five (5) consecutive games or can I play at a range of different times throughout the season?

The registration covers you for any five matches throughout the 2022 Winter Season.

Am I covered for insurance?

Yes, only for the five games played. Once played, you will be required to upgrade your membership to continue being covered for insurance.

How much does the five (5) game registration cost?

This will depend on how your club structures your fees. It will be significantly reduced from a full season membership.

Can I continue playing when my five games is finished?

Yes, however you will be charged the difference between the full winter season levy and the five game membership purchased to continue playing in the season.

To upgrade your membership at the conclusion of your five game membership, please complete the below.

1. Select your club via <https://www.hockeyvictoria.org.au/competitions-events/register-now/>
2. Login
3. Click Account
4. Locate Membership & Click Upgrade
5. Select the relevant Adult or Junior Levy and pay.
6. Congratulations you are now registered until 31 December 2022.

My club doesn't appear to have a five game registration offering?

Contact your club directly to find out if the offering will be available in 2022.

If I double up on a weekend will it cost as two games? (E.g. play juniors and senior)

Yes, if you play two games on a weekend or during the week with two different sections, it will count as you have played two games and therefore your 5 game registration will be reduced to three games remaining.

Can I purchase the five game membership specifically to play finals in September?

No, to play finals a member must play a minimum of six games throughout the regular season to be eligible.

How do I check how many games I have remaining from my membership?

Login to your account via hockeyvictoria.org.au and check how many games you have played and subtract that amount from the 5 games you are eligible to play in.
