## Membership Rollover Guide

### Introduction:

Each year, Volleyball NSW individual memberships commence on April 1 and expire on March 31 of the following year.

We seek to make the transition as seamless as possible to allow for registrations to be completed and checked before events on April 1. Membership rollover enables existing members to renew into the 2024 - 2025 membership season.

### What is a Rollover?

Rollover is the process of transferring a membership database from the previous membership season to an upcoming membership season. When a membership rollover occurs at the conclusion of the current season, it makes way to apply for the next season's membership.

As of March 31, 2024, your VNSW membership will expire. Memberships will be closed on March 26, 2024, and open back up on March 27, 2024, to facilitate a smooth transition into the new membership season.

VNSW and RevolutioniseSport commit to rolling over all members at the end of March each year. Therefore, your membership will automatically expire to allow you to renew into the new membership season.

### How will this impact my Membership?

All current 2023 - 2024 memberships, including insurance, will be valid until March 31, 2024.

The 2024 - 2025 membership period will open for all members to renew on March 27, 2024.

- 2023 - 2024 Current Members  
All memberships linked to the existing membership structure for the 2023 - 2024 season will be archived/become inactive March 31, 2024. The memberships will then expire automatically.

Members can renew for the 2024 - 2025 season from March 27, 2024.

*\* The conditions of Membership require that ALL members who consume volleyball in conjunction with affiliated clubs and VNSW sanctioned events have an active VNSW membership.*

- NEW - Memberships between January – March 2024  
The 3-month Membership option is available to new members who join between January 1 and March 26, 2024. As a result, this membership option will be active only until March 26, when rollover will be completed, however, you will be covered until March 31. It will be necessary for you to renew your membership for the 2024 - 2025 season.

## Membership Categories:

A member can upgrade to a higher membership category at any time (fees apply) to access additional services and benefits.

The five categories of the 2024 - 2025 Season for Individual Memberships are:

- Full Membership – Adult & U18
- Recreational Membership – Adult & U18
- Technical
