Information for Visiting Sailors to Wangi

Wangi is situated on the western shores of Lake Macquarie approximately 1.5 hours drive north of Sydney. Lake Macquarie is Australia's largest coastal saltwater lake and is over double the size of Sydney Harbour. The lake has an average depth of 8 metres but is around 20 metres deep in places. There are no ferries, commercial shipping or commercial fishing on the lake making it ideal for sailing and recreational boating. The lake is connected to the ocean by a narrow winding entrance and as a result there is no tidal effect in the lake itself.

The Wangi Sailing Club is situated in the heart of the town adjacent the RSL club car park.

Competitor's boats can be rigged on the grass in front of the club and trailers can be stored there as well. Trailers are not allowed in the car park and cars are not allowed on the grass.

There is a power boat launching ramp close by just behind the Petrol Station in the main street.

The wharf in front of the club is owned by Lake Macquarie City Council and does have time limits so please check the signs.

The town of Wangi has a chemist, IGA supermarket, newsagents, post office and a small hardware shop. It also has a licensed RSL club and hotel which both serve meals along with a Thai restaurant and Italian restaurant, a pizza shop, bakery and fish and chip shop. The nearest ship chandlery is Marine Outlet (0414 286-3 933) at Morisset, which is a 20-minute drive south of the club and nearest sailmaker is MEB Sail Design (0425 244 008) at Warner's Bay and is about 20-25 minutes' drive north. The nearest Bunning's Hardware store is at Morisset around 20 minutes south of Wangi.

Upstairs in the club is used for registration, briefings and race control, whilst the canteen, sign/off sheets, official notice board, toilets and showers are all located downstairs. Please follow the signs and instructions of club officials when unloading and loading boats so that congestion is minimized and enjoy the Wangi experience.

Hope you enjoy the village atmosphere of Wangi and the great sailing conditions on the lake

ACCESS TO THE RIGGING AREA & CARPARK

When arriving at Wangi Sailing Club, please enter the Carpark between the RSL and Sailing Club on the left-hand side (western side) closest to the RSL. Drive through the carpark near the children's play equipment and onto the grass area, disconnect trailer and exit the grass near the sailing club on the eastern side.

Trailers can be stored on the grass in an orderly fashion but will **not be allowed in the car park**. Conversely cars can drive onto the grass briefly but cannot park there. The carpark is shared with the RSL club and the western side is reserved for RSL patrons, so you may need to park in the street once the eastern side is full.

RIBs can be launched at the boat ramp just behind the main street near the service station.

Please do not enter the RSL / Sailing club car park with RIBs or Rib trailers.

Please follow the directions of the volunteers, be patient and exercise social distancing and enjoy the weekend.
