

NTWKR

Registration Questions:

We plan to display a little bit about each participant to show how sailors and volunteers come in all shapes, sizes, age & experience. It's all about participation

- o How long have you been in the sport of Sailing?
- o What part do you play in our sport?
- o What Club, Association or company are you involved with?
- o Tell us how you got involved in Sailing?
- o There are many pathways in Sailing, where has your journey taken you?
- o Whatever part of Sailing you belong to, tell us what you enjoy about your sport?
- o What would you say to someone thinking about getting into Sailing?
- o Tell us your favourite story...

SailPass:

If you are not a full member of an affiliated Sailing Club (DSC, DBCYA in Darwin) you will need to apply for a SailPass. This will ensure you are covered by personal accident insurance. They are valid for only 1 day so you will need to apply for 2 SailPass and ensure you select the correct dates.

You are eligible for up to 3 SailPass before you will be required to take out membership at a club.
