Sydney Olympic Park Athletic Centre, Sydney
12 – 21 April 2020

Please note the following notes are relevant for Queensland Junior Athletes only.

ELIGIBILITY

1. Membership

To be considered a member of Queensland Athletics for the purposes of this team, athletes must be registered as a full member for the 2020-21 track and field season through a Queensland Athletics or Athletics North Queensland club.

In South Queensland, full membership refers to a Platinum membership. Base members will be required to purchase a National Event Permit prior to entry.

2. Age

Athletes must be a minimum of 12 years and a maximum of 19 years of age as at the 31 December 2021. Please refer to point 2 in the 'Additional Notes' section below for clarification on age groups.

3. Competing in QA competitions

Athletes are required to compete in the Queensland Athletics Championships (March 2021), and at least one other QA competition during the 2020-21 QA Gold Level Permit Meets.

Athletes that live further than 200 km from the Queensland Sport and Athletics Centre, or who have extenuating circumstances, may apply to the Queensland Athletics CEO for an exception. **Athletes registered with ANQ** are not required to compete in the Queensland Junior Athletics Championships or take part in any further QA competitions during the season.

QUALIFYING

1. Place at Championships

Athletes that finish in the first three places at the 2020 Queensland All Schools Championships and in the first two places in the 2020 Athletics North Queensland Track & Field Championships* will automatically qualify up an age group, regardless of any changes in implement weights or hurdle heights. *For example, the first three places in the U15 (aka 14 years) 100 metres at the 2020 Secondary School Championships will qualify for the U16 100 metres at the 2021 Australian Junior Championships.*

In 2020 the Queensland Athletics Championships will be conducted in the following age groups – U14, U15, U16, U17, U18 and U20 (the same age groups as the Australian Junior Championships). Athletes that finish in the first three places in each age group at the Queensland Athletics Championships will be eligible to nominate for the team for that event.

This clause should be read in conjunction with point 2 in the 'Additional Notes' section below.

*ANQ registered athletes only

2. Achieve Entry Standard

Athletes who achieve the qualifying standard for their nominated event during the period 1st January 2020 to 29th March 2021 are eligible for selection for the Australian Athletics Championships in that event. Athletes must achieve the standard for their age group in 2021 and must ensure they achieve it with the correct implement or hurdle height where relevant. Hand times, with appropriate correction (as detailed in entry standards), are accepted. Wind readings may be up to 4.0m/s.

Entry standards will be available on the 'ATHLETES' page of the Queensland Athletics website - www.qldathletics.org.au by mid-December, 2020 or as made available by Athletics Australia.
