**Sean Litchfield – Finance Director**
- SL has done his best to ensure paddlers funds have been handled with integrity and the best possible intentions.
- Surplus higher than 2012/2013 period – anticipated AusDBF will have some large expenses in the foreseeable future so ideal to have buffer – CCWC 2016, AusChamps 2015.

**Maggie Boyce – Administration Director**
- Enormous amount of work needs to be done at AusDBF Board level.
- At face to face meeting August 2014 - Board moved to increase Christina Wohlsen’s work hours to assist with workload.
- Board Structure – need to create key portfolios for key personnel to aid in alleviating pressure/workload on KW.
- Suggested incorporating Admin/Governance role and appointing Communications role.
- Important to get the right fit for the right people – members asked to endorse and support.
- President Hook Ups have become a regular occurrence and have been well represented. Communication in general is improving.
- Members asked to support AusChamps 2015 in Perth, WA. National community - allow DBWA to showcase dragon boating in their home State.
- MB still very passionate about the Board, would really like to move from Admin into Development role.
- Martin Hirst commented on how wonderful the AusDBF newsletter was – good to see names of successful Aurora candidates. MB reconfirmed that all Aurora paddlers are required to make themselves available for State teams.

**Christopher Alexandrou – Development Director**
- Christopher Alexandrou, AusDBF’s longest standing Director is stepping down. Feels like a very different sport, so much has been achieved. We are on the cusp of becoming a professional sport.
- Paddlers always step up when required.
- Public profile has not grown as much as the sport has – need to structure events to make it exciting for people to come and watch from a competitive perspective.
- CA was given a standing ovation by the assembly.

**Victor Fazakerley – Ordinary Director**
- Developed exemption form for international and National regattas.
- Passion is technical side – rules & regulations.
- AusDBF delegate on AusChamps 2015 organising committee – looking forward to a successful Nationals in Perth.
**Martin Hastings – Ordinary Director**
- Just started on AusDBF Board – was previously Finance Director for DBNSW
- Concerned with process and transparency.

**Kel Watt – President**
- Thanked David Abel who is stepping down as Director for AusDBF. He has done a mountain of work, came onto the Board after AusChamps 2012. He did a wonderful job organising AusChamps 2012, which set a benchmark for future events. He has helped lift the profile of our sport in Victoria. Not lost to the sport, current Aurora Premier Coach. Has made a great contribution over the last two and half years. KW thanked DA.
- Tony D’Andreti came onto the Board after 2012 AusChamps. He drove a lot of reform around the coaching course. His expertise in business management and the training sector was a great asset to the Board.
- Maggie Boyce has been a huge asset to the Board. After ten months in the administration role she plans to move into Development role left by CA - will get the best out of her in high performance role.
- Martin Hastings expertise is in finance, he is going to be a real asset to the Board. SL has done a wonderful job as Finance Director in the past ten months.
- Vic Fazakerley’s experience and expertise in Officiating at IDBF level is a great asset to the team.
- Christopher Alexandrou is approaching eleven years on AusDBF. ‘Zeus’ as he is commonly known has spent a quarter of his life on the Board and due to constitutional changes his time on the Board can never be matched. He has made the most remarkable contribution to our sport. He is incredibly generous and has donated a lot of time and money to the sport and paddlers. He is passionate and has been driven in every aspect of his work from developing grass roots paddling to his commitment to high performance. He is as knowledgeable and skillful as anyone in dragon boating and is a real personality in our sport. Acknowledged the generosity and contribution from Christopher’s parents who have opened their doors to many paddlers from all over the country. We owe an incredible amount to him.
- Thanked CW for her work on the Board in the past twelve months.
- John Taylor Award was awarded to Loretta Lewis (LL) in 2014 in recognition of her contribution to the sport. LL is currently on CCWC 2016 organising committee and IDBF Assistant Treasurer.
- AusChamps 2014 was very successful, 3000 participants. On behalf of the National dragon boating community we want to thank QDBF for their wonderful job in organising this year’s event held in Kawana – special thanks to Jason Ferrari and Janine Lette.
- International performance: At the Asian Champs 2014 the Aurora were able to retain their medal haul of six. 2014 was a much tougher competition, so to retain sixth position was incredible. The World Cup in China was held this year for the first time, massive success. China regaining control of the sport. Only the top ten countries in the world are invited, bit of money up for grabs. Allows dragon boating a catalyst to attract sponsors due to media exposure in Asia. Wonderful leadership from team captains Marcio Martins and Georgina Wakim and Team Manager Jen Reilly did a great job organizing the team and keeping the crew together. Head Coach Serghei Cucsa led the Aurora. In addition to his great coaching he is a manager of people and personalities and gets the best out of people, continues to lead the Aurora to success.
- CCWC 2014 – Australia had the largest contingency with 24 clubs, Canadians had 22 clubs. AusDBF (along with SA government representative Mandy) promoted CCWC
2016 being held in Adelaide. Results very good in Sen B, Sen C and some Junior categories – obviously need to work out how we attack the Premier & Sen A competitions.

- Life Membership was awarded to Melanie Cantwell – first person since 2010. Somebody who is very deserving and very committed to the sport of dragon boating.
- Anna Wellings-Booth passed away 3 October 2014. Iconic personality in the sport.
- AusDBF pushing to get more involved in IDBF and Asian Federation. KW and LL currently hold positions. Structure of the future World Champs will be based on the ‘Australian model’.
- Cantwell/Lette Grant Program implemented this year. Named in honor of Janine Lette and Melanie Cantwell. Financial grants awarded across the following categories: Athlete/ Coach/ Official/ Governance. Applications close 31 December 2014 – application form to be distributed.
- KW publicly thanked his wife Louise Yabsley for her selfless support.
- KW thanked everyone for their support over the past 12 months, look forward to a fantastic year to come.
