# SURVEY RESULTS

---

Sat/Sun – 2 short & 2 long 6

Sat –short races & Sun – long 11

Combine both clubs races 3

Change the time of year 3

Shorter day on Sat 10

# SURVEY RESULTS

Social event on Sat we so don't have to worry about next day

More incentive to encourage crew to participate such as a voucher to flight path, dinner voucher

More advertising

More social events and prizes/raffles

I like how each club hosts 1 day, with this format it is a great introduction for crews to be associated with both clubs.

The triangle course (3nm total) Bob used this year worked well, perhaps be improved by adding an extra 2 legs for racing class with the hope that all boats finish around the same time?

Races should be back-to-back, and 2 races is probably enough on Sat. Heat is an important issue!

We were 'cooking' for the hour and a half between races on the Sunday, so we didn't make it to presentation.....Please just one race Sunday.

# 2022 BIG BOAT REGATTA

## SATURDAY

- Darwin Sailing Club
- 2 x short races
- Social event at club afterwards

## SUNDAY

- Dinah Beach Cruising Yacht Association
- 1 x long race (Wet Season Race 1)
- Presentation at club afterwards

3-4 race series

No drop races

# RESULTS

Class based racing

No mixed divisions

Off the beach boats only

Big boats will have a club race so they don't miss out but there are people that race both types

Keep it on a long weekend as 2 days racing is manageable when there is still 1 day free

Run the event on Fr/Sat so we have the day off after presentation

## WHEN

- Darwin Show long weekend – Sat & Sun
- It is the weekend following the JUNIORSAIL REGATTA and an opportunity to grow the junior fleets off the back of this event.

## DIVISIONS

- Minnow, Cadet, Laser, Tasar, A-Class & Pacer
- Social event on Sat after day 1 racing
