

# Registering for Athletics ACT Meets Victorian, International Athletes or Athletes Without a National ID

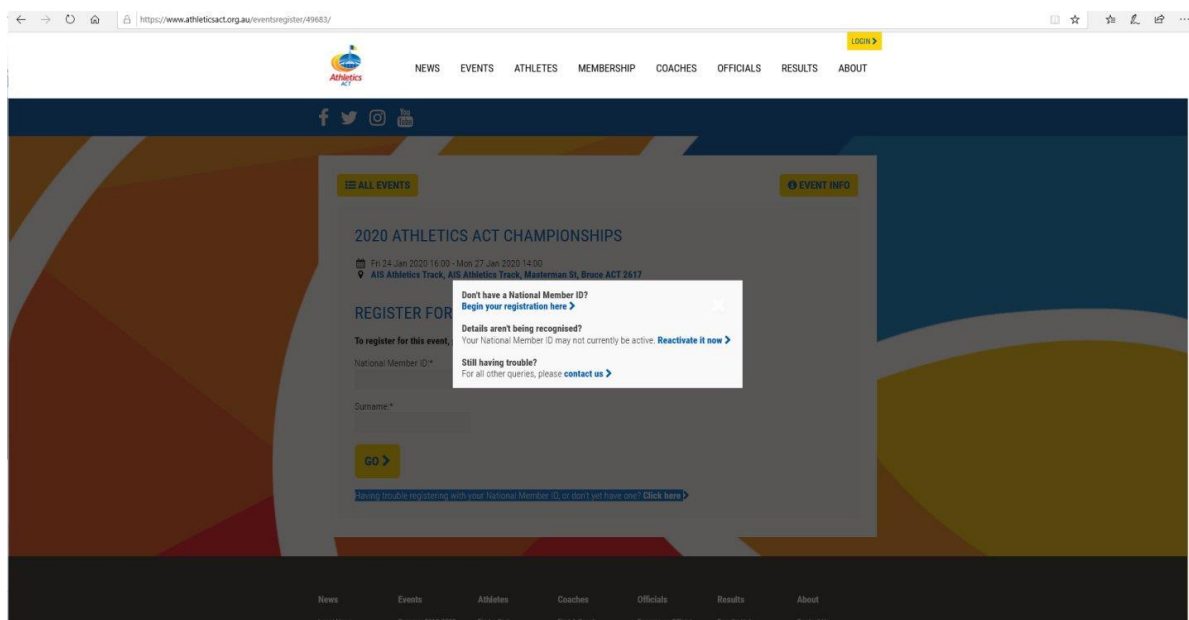

## Step 1

Once you arrive at the first registration page you will notice it asks for your NATIONAL MEMBER ID. As you are not assigned one through Athletics Victoria or as an international you will need to select the option at the bottom of the page where it says Having trouble registering with your National Member ID, or don't yet have one? [Click here](#)

## Step 2

Now select the option - Don't have a National Member ID?

### Step 3

Complete the NON-MEMBER EVENT ENTRY REGISTRATION
