

Queensland Athletics – Moving Forward

as at 22 January 2021

Queensland Athletics is a signatory for an approved Industry Safe COVID Plan – Outdoor Sports. There is a direct link to this below.

Under the current Outdoor Plan events with less than a total of 1500 participants can be held as long as they used an approved COVID Safe Check List. The Outdoor Sport Check list is provided in a link below. NB as we have seen recently (from 08/01/21 to 21/01/21) the figure of 1500 can change so if in doubt please check the Qld Government Website or contact Queensland Athletics.

Events with more than a total of 1500 participants must submit a COVID Safe Plan to their local Health Unit. In general, that plan should cover all the items in the Outdoor Check List with additional items that relate to the specifics of the event. Please feel free to contact Queensland Athletics if you need assistance or advice.
